

Pricing G-Cloud 15

Zinc works on a credit system. Credit is purchased upfront and then can be used interchangeably on all checks other than DBS.

- Unused credit rolls over to the next year with no penalty
- Discounts are accessed based on volume of credit
- Dedicated account manager support on credit purchases above £10,000 per annum
- Checks conducted over the annual credit allocation will be invoiced monthly, with a 20% surcharge. However you can buy more credit whenever you like to avoid surcharge.
- VAT not Included. You will not be charged on the government fee portion of the DBS
- Pricing below reflects preferential value for public sector organisations

*ID is primarily used to establish identity for DBS checks. If the candidate uses a passport to prove their right to work this is unnecessary

**DBS fees included in overall price. The government fees is not subject to VAT, only the transaction fee.
