

Simplifi Services

WM5G Ltd "Simplifi" service includes complimentary access to WM5G's fast-track legal process. This package covers all telecoms transactions and offers the following benefits:

☐ Comprehensive Support: WM5G acts on behalf of the client liaising with MNOs and infrastructure companies from initial site searches through to legal completion.

☐ Enhanced Services: This package includes:

Identifying suitable land or property

o Negotiating terms and establishing Code-compliant template agreements.

o Utilising WM5G's fast-track legal process to expedite lease completions.

☐ Streamlined Legal Process: WM5G's fast-track legal process is designed to reduce the legal and administrative workload on the council's legal team while ensuring the council retains ownership of the process.
