

Fluency for Transcription Pricing – G-Cloud15

How to Use This Document

1. **Determine the number of Author Licences**
 - Identify how many clinical authors (dictating users) will require access.
 - Select the correct pricing tier based on user volume.
2. **Check Medical Secretary Subscription Requirements**
 - Note: Medical Secretary licences are included at £0 across all tiers.
3. **Review Optional Modules**
 - Confirm whether any add-ons are required
4. **Assess Professional Services Needs**
 - Contact Solventum for an accurate professionals services quote based on project size and complexity.
5. **Consider Optional Hardware** – select model and quantity.
