The HighPoint **Value Formula**

The Four Pillars of Our Partnership

Helping clients embrace their digital future by turning technology investments into measurable business outcomes through:

People-First

Culture of honesty,
integrity & trust

Experienced in the Complex

Deep knowledge of
regulated industries and
global enterprise

Time to Value

Measurable outcomes,
delivered fast

An Eye on the Future

Strategic insight into
innovation to help you stay
ahead

HPSUK Pricing information:

HighPoint's rate card is a range for both UK Onshore based staff with additional Nearshore based price. Global location resourcing pricing is additionally available upon requirement request.

Provisions can be based on either Time and Materials or Outcome basis which will be determined via the appropriate scoping exercises performed against requirements.

All prices are exclusive of travel costs and VAT in line with G-Cloud Supplier Terms and Conditions.
