TACTIC

Training, Competency and Workforce Management System

G-Cloud 15 Pricing Document

Lot 2b: Software as a Service (SaaS)

Introduction

This document provides pricing information to supplement the information submitted on the Digital Marketplace for G-Cloud 15 for TACTIC Training, Competency and Workforce Management system.

TACTIC is a modular platform developed to drive operational excellence across pathology and diagnostic services. By integrating training, competency verification, and workforce management into a single digital ecosystem, TACTIC replaces fragmented manual processes with an auditable "source of truth". Designed specifically to meet the rigorous demands of NHS Networks and diagnostic laboratories, the platform supports high-quality service delivery, strengthens ISO 15189 compliance, and optimises resource allocation through data-driven forecasting.

TACTIC's Training, competency and workforce management system comprises 3 modular components and a one-time set up fee. Ancillary services such as onboarding and implementation support are available as a separate service via G-Cloud Lot 3.

Modules	Unit Price Per Laboratory	Unit Price Per Staff Member
Training, Competency and Workforce Management	£1,800/year	-
Document Management System	£1,200/year	-
Workforce Scheduling and Roster	-	£50/year
One time 'Set Up' fee	£1,000	-

For deployment to organisations/services other than Pathology labs configuration and onboarding services will be necessary and these services are available under G-Cloud Lot 3 (Cloud Support).

As a part of the Lot 3 support service, the annual SaaS costs will be established according to service scale, complexity and support requirements. The table below sets out the maximum SaaS annual charge.

Modules / per organisation	Max Unit Price
Training, Competency and Workforce Management per service	£25,000/year
Document Management System per service	£25,000/year
Workforce Scheduling and Roster	£25,000/yea-

TACTIC is a software service which constantly evolves to meet the needs of the users. For the latest detail of the features and functions visit www.certus-tech.com
