ICS CompliMind – SaaS Pricing (G-Cloud)

Pricing Model: User-banded Annual SaaS Licence

All prices shown below are exclusive of VAT and are billed annually in advance.

CompliMind is a secure, web-based AI-powered compliance platform licensed on an annual SaaS basis. Pricing is structured by user bands to reflect typical levels of organisational adoption. Licences are organisation-wide and subject to fair usage.

A. Core SaaS Licence – Annual

User Band	CompliMind Light	CompliMind Advanced	CompliMind Assurance Suite
1–20 users	£12,000	£20,000	£30,000
21–40 users	£18,000	£30,000	£45,000
41–60 users	£22,500	£37,500	£55,000
61–80 users	£27,000	£45,000	£65,000
81+ users	POA	POA	POA

All licence tiers include:

- Secure browser-based access (desktop and mobile)
- AI-powered regulatory search and document review
- Writing assistant for compliance documentation
- Usage dashboards and reporting
- Remote onboarding, training, and ongoing support

B. Optional Adoption Phase (6 Months)

Optional adoption phase to de-risk implementation prior to a multi-year commitment.

Fee: £8,000 (unlimited users for six months)

- Full access to all Advanced tier features
- SharePoint and local database integration
- Remote onboarding and training sessions
- CPD-accredited training modules
- Organisation-specific templates pre-loaded

Where an organisation upgrades within six months, the £8,000 fee may be credited toward the first-year subscription.

C. Optional Modules (Annual Add-Ons)

- Training Hub: 25% of base annual licence (capped at £5,000/year)
- Capital Hub: 25% of base annual licence (capped at £5,000/year)
- National Returns Hub: 25% of base annual licence (capped at £5,000/year)
- PFI Module: £12,000 per PFI project per year (includes up to 6 named users)
- Custom Module: 25% of base annual licence (capped at £5,000/year)

D. Optional Services

- In-person training or masterclasses: £1,100 per day (travel excluded)
- Custom system integrations (CAFM, DMS, etc.): £1,100 per day

E. Commercial & G-Cloud Assumptions

- Pricing applies to one NHS Trust, NHS Foundation Trust, ICB, or equivalent public body
- User bands reflect typical adoption and are not per-seat transactional pricing
- Fair usage applies to prevent sustained automated or excessive system load
- Licences do not automatically extend to wider NHS networks or subsidiaries
- CPI-linked price review annually unless contractually capped
- Exit support beyond standard 30-day data export is chargeable at £1,100 per day
