

Microsoft Defender Optimisation Pricing

Pricing fixed for each service tier and linked to **Government Digital & Data Roles** identified in the rate card below. Detailed Statement of Work available for each component of services and can be adapted to meet specific context and local situation. Services can also be made available on a T&M basis with all expenses charged in line with customer policies.

Fixed Prices

Service Options

Foundation: £5,000 - £20,000 ex VAT

Short engagements limited to discovery and reporting against current deployment. Fixed price packages determined by extent of defender adoption (Cloud, Identity, Endpoint etc).

Enhanced: £20,000 - £100,000 ex VAT

Services to remediate critical and high rated vulnerabilities discovered with knowledge transfer and artefact creation. Includes deployment to new asset categories, testing removed exclusions and documenting risk reduction.

Sustained: £25,000 - £50,000 ex VAT

Strategic support for incumbent IT and security teams to test health and effectiveness annually and keep current with threats and platform developments. Price is per year with one to 5 year options.
