

Cyber Accelerator Service Pricing

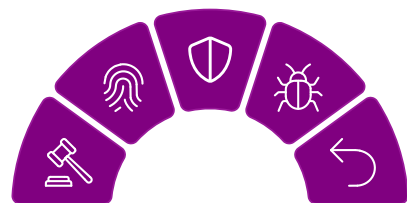

Pricing is fixed per service option and linked to **Government Digital & Data Roles** from the rate card below. Detailed Statement of Work available for each component and adaptable to specific context. Services can also be provided on a capped T&M basis with expenses aligned to customer policies. Services are structured around three key dimensions: **Service Depth**, **Service Breadth** & **Organisation Size**. These factors determine the appropriate service for your needs and the specific deliverables and fixed price

Service Depth

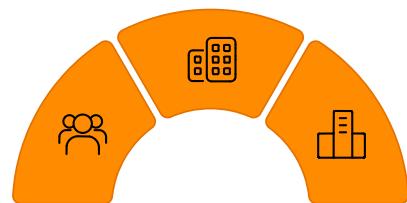

- Understand
- Prioritise
- Enact
- Sustain

Service Breadth

- Governance
- Identity & Access
- Network Security
- Vulnerability
- Response & Recovery
