IMPLEMENTATION METHODOLOGY

We offer a seamless and efficient onboarding process through our FlightPath methodology. This remote-first approach provides flexibility and minimizes disruption. Our consultants use video technology to provide expert support, and we offer e-learning to allow users to learn at their own pace.

SERVICE & SUPPORT MANAGEMENT DETAILS

We offer three primary support plans:

- Essential Plan: Included with your license, providing online support via our Customer Success portal.
- Standard Plan: Faster response times via phone, live chat, and the Customer Success portal. Access to e-learning and Success webinars.
- Premier Plan: Direct access to a designated Customer Success Manager (CSM) for ongoing optimization and ROI maximization.
