

Green Business Tools – Cloud Platform (SaaS)

Pricing Document

1. Overview

Green Business Tools provides simple, transparent, and scalable pricing suitable for public sector organisations, educational institutions, childcare providers, and councils.

2. Pricing Model

Our SaaS platform uses a subscription-based pricing model, charged monthly or annually depending on customer preference.

3. Core Platform Pricing

- Platform Access (per organisation): £25/month
- Additional Users: Free
- Unlimited modules activation included

4. Module Pricing

Digital Menu: £15/month per site

Nanny World: £20/month per organisation

Out-of-School Platform: £20/month per organisation

5. Optional Services

- Onsite Training: £150 per session
- Remote Training: £50 per session
- Custom Integrations: Quoted individually

6. Trial Period

A 14-day free trial is provided for all modules. No payment details required.

7. Discounts

Educational organisations receive 10% off all subscription pricing.

8. Exit and Data Export

All customers can export data at no extra cost in CSV/ODF formats.

9. Notes

Prices exclude VAT.
