1. Pricing Approach

Sure360 Limited provides consultancy services for digital technology, cloud adoption, migration, transformation, and project delivery. Each engagement is bespoke, and pricing is determined on a project-by-project basis depending on: - Project scope and complexity - Duration of engagement - Deliverables and expected outcomes - Any specific client requirements

2. Proposal and Agreement

- A tailored proposal will be provided for each project outlining:
 - Scope of services
 - Estimated timeline
 - Pricing for the project
 - Payment terms and conditions
- All proposals are agreed in writing before project commencement.

3. Expenses

- Any agreed travel or out-of-pocket expenses will be invoiced separately with prior approval.

4. Payment Terms

- Payment terms will be specified in each project proposal.
- Typically, invoicing is on completion of milestones or monthly for longer projects.
- Late payments may incur interest at the statutory rate.
