Pricing – UpHill G-Cloud Services

All prices are GBP, excluding VAT.

Pricing Model

UpHill services are provided on a **subscription (SaaS) basis**, with optional one-off implementation and optional add-on modules. Pricing is based on deployment scope and selected functionality.

There are **no minimum user numbers** unless stated in the Order Form.

---

1. Platform Subscription (Recurring)

Annual licence for access to the UpHill Clinical Decision Support & Care Pathway Automation platform.

Pricing is determined by:

- Number of clinical pathways deployed
- Deployment scope (single service, multi-service, Trust-wide / ICB-level)

Deployment Scope	Annual Price
Single pathway / single service	£150,000 per year
Multiple pathways / single site	£500,000 per year
Trust-wide or ICB-level deployment	£1,500,000 per year

---

2. Implementation & Onboarding (One-off)

One-time fee covering initial setup and go-live.

Includes:

- Service discovery and pathway selection
- Local configuration and governance alignment
- User onboarding and remote training
- Go-live support

Item	Price
Standard implementation	£150,000 one-off

---

3. Optional Add-On Modules (Recurring)

Optional modules may be purchased in addition to the core platform subscription.

Optional Module	Annual Price
Advanced analytics and reporting	£250,000 per year
Additional pathway configuration packs	£500,000 per year

---

4. Discounts

The following discounts **may** be applied and will be specified in the Order Form where applicable:

- Multi-year contract terms
- Multi-site or Trust-wide / ICB-level deployments

---

5. What Is Included

The platform subscription includes:

- Secure cloud hosting
- Ongoing maintenance and updates
- Security patches and enhancements
- Standard support during UK business hours
- Minor configuration changes within agreed scope

---

6. What Is Not Included

The following are excluded unless explicitly agreed in writing:

- Custom software development
- Major pathway redesign or clinical re-authoring
- On-site training
- Clinical staffing services

---

7. Contractual Notes

- All pricing is indicative and subject to confirmation in the Order Form
- No setup or termination fees unless stated
- Invoicing is annual in advance unless otherwise agreed
