G-Cloud 15 Pricing Document

Charges using day rate model

Service Overview

Synechron Pricing Document

Synechron charges using our day rate model. The rates shown are maximum day rates. Synechron can provide a customised price breakdown for more complex, or less defined requirements where additional types of resource may be needed, to provide the optimum resource mix to achieve the project’s desired outcomes.

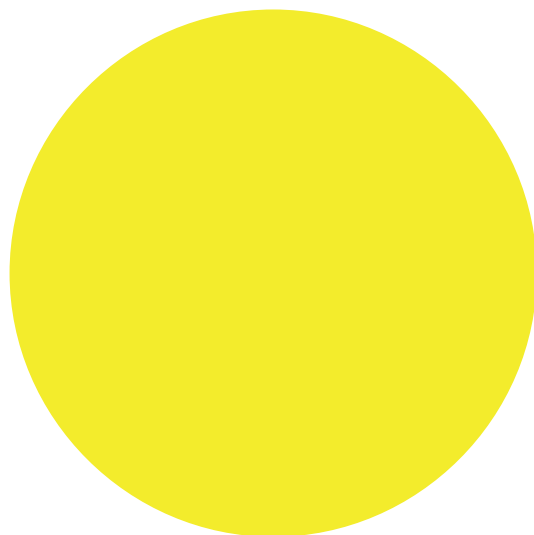

All prices are based on a 7.5 hour working day, and are exclusive of VAT, and any expenses including travel and subsistence.
