

Microsoft Cloud Core Management

Pricing document simplified for ease of accessibility

Our base per user per month (pu/pm) fee is £25.

User count range	Discount % 1y term	Resulting pu / pm	Additional % 3y term	Resulting pu / pm (3y)
0-49	0	£25.00	7.5	£23.13
50-99	5	£23.75	7.5	£21.97
100-249	10	£22.50	7.5	£20.81
250-499	15	£21.25	7.5	£19.66
500-999	20	£20.00	7.5	£18.50
1000+	25	£18.75	7.5	£17.34

Important notes

- The minimum term after the 3-month trial and onboarding period is 1 year
- Fees above are for standard 9-5 M-F service hours. Please see elsewhere in this document the premiums applicable for wider service hours.
- User count will be based on visible Microsoft end user subscriptions, with the exact mix of products to be determined at call off
- Invoicing is in arrears and monthly unless agreed otherwise at call-off.
- All prices are subject to UK VAT. Services are delivered within the UK only.

Standard service hours are 9am – 530pm GMT, Monday to Friday not including UK Public Holidays.

Extended service hours of 8am to 10pm GMT, 7 days and including UK Public Holidays is available for a 50% premium on the fees in the above table.

Follow the Sun / 24x7 is available on request and at our discretion but pricing will be subject to agreement at call-off.

Our monitoring system is available to customers, and we include 100 sensors in our standard fees. Customers can opt for additional sensors at a rate of £0.40 per sensor per month.
