XLINE FOR STERILISATION

Basic application server license - XLine Steri	£23,400
Application server license for extra hospital site - XLine Steri	£11,700
Concurrent User license (1-5) - XLine Steri	£4,620
Concurrent User license (6-10) - XLine Steri	£4,194
Concurrent User license (>10) - XLine Steri	£3,660
Concurrent User license XLine Steri Monitoring	£1,500
Set Reprocessing Cost Calculation Module	£11,400
Set Weight Control Module	£7,800
XLine Steri Mono Server	£5,700
Importer Set types from XLS	£3,000

HOSPITAL WIDE XLINE FOR STERILISATION LICENSES

Web-based CSSD & Set Monitoring	£9,000
OR Planning Web API	£4,800
Logistics Web API	£4,800

XLINE FOR STERILISATION – INTERFACES

Interface to a Washer/Disinfector Machine (1 interface per type)	£4,200
Interface to an Instrument Marking system	£4,200
Set Traceable Content Creator Module	£5,760
Interface to a third party OR management system	£5,400
Interface to a scale (per scale type)	£3,300
Outbound unidirectional interface to third party CSSD system – set consumption (via XML)	£4,200
Inbound contextual call from a third party system (per external system)	£3,000
Interface to a Steriliser (1 interface per type)	£4,200
Interface to a Washer or Steriliser on an additional site (per type)	£2,100

XLINE FOR THEATRES (OR) – LICENSES

Basic application server license – XLine OR	£23,400
Application server license for extra hospital site – XLine OR	£11,700
Concurrent User license – XLine OR Monitoring	£1,500
Concurrent user license OR and Coordinator (1 to 5), Basis	£4,260
Concurrent user license OR and Coordinator (6 to 10), Basis	£3,834
Concurrent user license OR and Coordinator (11 to 15), Basis	£3,300
Concurrent user license OR and Coordinator (as of 16), Basis	£2,700
Concurrent licenses Surgeon Planning – (pack of 25)	£11,400
Concurrent licenses Surgeon Planning – (pack of 10)	£5,700
Logistics Module (requires Pharmacy/ERP Interface)	£11,820
OR Session Allocation Module	£7,800

THIS DOCUMENT IS INTENDED FOR USE BY AEXIS MEDICAL AND ITS CUSTOMERS ONLY

OR Monitoring – Web	£9,000
Logistics, Concurrent User	£2,100
Logistics Monitoring, Concurrent User	£1,500
Proprietary Interface – bi-directional	£4,200
OR Patient Notification Module	£2,340
Module Digital Signature (in combination with third party timestamping)	£3,300

XLIN FOR THEATRES (OR) – SPECIFIC INTERFACES

Export of Materials Consumed (PDF)	£4,440
Integration between XLine OR and XLine Sterilisation	£4,800
Interface XLine OR with Patient Transport system	£3,000

XLIN FOR ENDOSCOPY – LICENSES

Basic application server license – XLine Endo	£8,100
Application server license for extra hospital site – XLine Endo	£4,050
Endoscope Reprocessing Module	£8,082
Concurrent user license Endo Room and Coordinator (1 to 5), Basis	£3,282
Concurrent user license Endo Room and Coordinator (6 to 10), Basis	£2,952
Concurrent user license Endo Room and Coordinator (11 to 15), Basis	£2,544
Concurrent User license – XLine Endo Light (Registration in the exam room)	£954
Concurrent user license Endo Room and Coordinator (as of 16), Basis	£2,340
OR Anaesthetist Allocation Module	£3,600
Excel Custom Reporting Module	£3,180
Endoscopy Scheduling Module	£2,958
Endoscopy Procedure Module	£3,558
Concurrent User license – XLine Endo, Asset Status Monitoring	£1,500
OR Staff Allocation Module	£3,600
Concurrent User license (1-5) – XLine Endo, Reconditioning workflow	£3,282
Concurrent User license (6-10) – XLine Endo, Reconditioning workflow	£2,952
Concurrent User license (>10) – XLine Endo, Reconditioning workflow	£2,544

XLIN FOR ENDOSCOPY – SPECIFIC INTERFACES

Interface to an AER (per type)	£4,200
Interface to the NED system, Outbound – UK Only	£4,200
Interface to an Automated Sink	£4,200
Interface Machine Driven (per type)	£2,400
Interface to a drying cabinet (per type)	£4,200
Interface to an AER or drying cabinet on an additional site (per type)	£2,100
Interface Aseptic Storage : per type	£4,200

XLIN POLY – LICENSES

Basic application server license – XLine Poly	£6,234
Application server license for extra hospital site – XLine Poly	£3,120
Module Patient workflow & Planning	£5,310
Concurrent user license Exam Room and Coordinator (1 to 5), Basis	£3,282
Concurrent user license Exam Room and Coordinator (6 to 10), Basis	£2,952

GCLOUD 15 PRICING

Concurrent user license Exam Room and Coordinator (11 to 15), Basis	£2,544
Concurrent User licenses XLine Exa Light	£954
Concurrent user license Exam Room and Coordinator (as of 16), Basis	£2,340
Concurrent User license – XLine Exa, Asset Status Monitoring	£1,500
Concurrent User license (1-5) – XLine Poly, Reprocessing	£3,282
Concurrent User license (6-10) – XLine Poly, Reprocessing	£2,952
Concurrent User license (>10) – XLine Poly, Reprocessing	£2,544

XLINE HOSPITAL BED MANAGEMENT LICENSES

Basic application server license – XLine Hospital Bed Management	£6,234
Application server license for extra hospital site – XLine Hospital Bed Management	£3,120
Concurrent User licenses XLine Hospital Bed Management	£2,100

XLINE IT INTERFACES

HL7 ADT unidirectional (Inbound)	£4,200
Export of Invoicing codes- 1 way (Outbound – requires the Components module)	£4,200
