

TRANSFER 360

PRODUCT BROCHURE

Transfer 360 connects vehicle leasing companies directly to ticket issuers (parking operators, local authorities & tolls) to standardise, monitor and automate the process of transferring the liability of a ticket to the vehicle hirer.

TRANSFER 360

The process for a leasing company to transfer liability of a ticket (fine/PCN) to the hirer is time consuming, costly and requires significant manual involvement.

Transfer 360 connects vehicle leasing companies with ticket issuers electronically to standardize and automate the hirer liability transfer process.

SIGNIFICANT BENEFITS

- Paper tickets and postage eradicated
- Standardised, electronic communication
- 100% data delivery with full transparency and audit log
- Data risk, liability and errors avoided
- Can be fully automated to remove all manual involvement
