

Shieldworkz Advisory & Support Service – Pricing (Per Device)

Pricing Model

Pricing is based on the number of monitored OT devices within the agreed service scope. A device is defined as an OT or ICS asset generating security telemetry.

Pricing is provided as a **monthly advisory and support subscription**. Customers retain operational ownership of the Shieldworkz platform.

Maximum Catalogue Pricing (Excluding VAT)

Advisory & Support – Per Device Pricing

Device Count	Price per Device	Effective Discount	Maximum Monthly Price
Up to 50	£400.00	0%	£20,000
51-150	£380.00	5%	£57,000
