

RedTail CyberArk Pricing G-Cloud 15

Notes:

Pricing is based on the vendor's published subscription model and terms.

Pricing in GBP

RedTail CyberArk Premium Support Service

Pricing for Premium Support services is dependent on specific conditions and requirements of the customer including:

- The number of CyberArk modules present within the environment.
- The size of the install base (users).
- The environmental complexity.

These are all explored as part of the onboarding and discovery process.

Pricing in GBP

Product Name	SKU	Pricing Meter	Annual Price: 3 Year	Annual Price: 1 Year	Description	Minimum Quantity
