Cloudwick does not warrant that your use of Amorphic will be uninterrupted or error-free or that any security mechanisms implemented by Amorphic will not have inherent limitations. Cloudwick's sole liability (and your exclusive remedy) for any breach of this warranty shall be, in Cloudwick's sole discretion, to use reasonable efforts to provide you with an error-correction or workaround which corrects the reported non-conformity, or if Cloudwick determines such remedies to be impracticable within a reasonable period of time, to refund the license fee paid for Amorphic. Furthermore, all subsequent security patches and maintenance releases delivered during the Amorphic Term will be similarly tested.

Each Indemnitor's indemnification obligations hereunder shall be conditioned upon the Indemnitee providing the Indemnitor with: (i) prompt written notice of any claim (provided that a failure to provide such notice shall only relieve the Indemnitor of its indemnity obligations if the Indemnitor is materially prejudiced by such failure); (ii) the option to assume sole control over the defense and settlement of any claim (provided that the Indemnitee may participate in such defense and settlement at its own expense); and (iii) reasonable information and assistance in connection with such defense and settlement (at the Indemnitor's expense). The foregoing obligations of Cloudwick do not apply with respect to the Service or any information, technology, materials or data (or any portions or components of the foregoing) to the extent (i) not created or provided by Cloudwick (including without limitation any Customer Data), (ii) made in whole or in part in accordance to Customer specifications, (iii)

modified after delivery by Cloudwick by another party, (iv) combined with other products, processes or materials not provided by Cloudwick (where the alleged Losses arise from or relate to such combination), (v) where Customer continues allegedly infringing activity after being notified thereof or after being informed of modifications that would have avoided the alleged infringement, or (vi) Customer's use of the Service is not strictly in accordance herewith.

The Receiving Party acknowledges that disclosure of Confidential Information would cause substantial harm for which damages alone would not be a sufficient remedy, and therefore that upon any such disclosure by the Receiving Party, the Disclosing Party shall be entitled to seek appropriate equitable relief in addition to whatever other remedies it might have at law.

8.2 **Security Policy:** Customer acknowledges that, prior to the Effective Date, Customer has had the opportunity to validate Amorphic in accordance with the Customer's Security and Verification and Vetting policies. During the Amorphic Term, Cloudwick will be responsible for ensuring that Amorphic complies with any such policies.
