

Introducing Kintra

Your AI-powered SEND advice &
support tool

Kintra acts as an extension of your team

It brings together your SEND expertise and processes to provide families with trusted information and supportive guidance at the point of need.

**Our mission is to help people navigate
the often complex special educational
needs (SEND) pathway, offering
insightful & emotive interactions.**

KINTRA PRICING

The commercial model has been developed in partnership with councils, and on their request is based on population numbers. Costs cover the build, deployment, training, ongoing management, access to dashboards, all conversations and interfacing with one directory.
