

## **Prova Risk Ltd Rate Card - G-Cloud Procurement**

### **1 Software Licensing (Annual Subscription).**

1.1 PROVA Risk is licensed on an annual per-site subscription basis, with volume-based pricing applied across an organisation's estate. Each licensed site receives full access to the PROVA Risk platform. This includes, per licensed site:

- Terrorism Reasonably Practicable Test.
- Site- and building-level terrorism protection procedures.
- Training and exercising via the Learning Management System.
- Evidence management and audit trail.
- Platform maintenance and updates.
- Standard support services.

#### 1.2 Annual Licence Fees (per site):

Number of Licensed Sites Annual Fee (per site)

|                 |                |
|-----------------|----------------|
| 1 site          | £399 per annum |
| 2–5 sites       | £375 per annum |
| 6–10 sites      | £350 per annum |
| 11–50 sites     | £325 per annum |
| 51–100 sites    | £300 per annum |
| 101–250 sites   | £275 per annum |
| 251–499 sites   | £250 per annum |
| 500–1,000 sites | £225 per annum |
| 1,001+ sites    | £200 per annum |

All pricing is exclusive of VAT.

Licence volumes are calculated based on the total number of in-scope sites covered under the subscription and are reviewed annually.

### **2 Optional Professional and Advisory Services.**

2.1 The following services are optional and may be procured separately where additional specialist support is required. These services are not required in order to use the PROVA Risk platform or to achieve compliance using the software alone.

2.2 Daily Rate: £1,000 per consultant per day (Exclusive of VAT).

#### 2.3 Available Services Include:

- Blue light liaison, including correct procedures for contacting and managing emergency services across client properties.
- Design and specification of security signage aligned to site procedures.
- Procurement support for physical security personnel.
- CCTV governance and management advisory.
- Development of comprehensive and credible security plans aligned to the Terrorism (Protection of Premises) Act (2025).
- Counter-terrorism policies, plans, and procedures.
- Compliance evidence structuring and archive support.

- Threat assessment updates and contextual risk briefings.
- Counter-terrorism and risk management training.
- Embedded risk and counter-terrorism advisory services.
