Company Details

Company Reg	07515669
VAT	109841900

Service type	Consultancy / discovery / assessment (fixed-price)
Framework lot	Lot 3 (Cloud Support)
Price	Fixed price: £30,000 (ex VAT and travel related expenses) for the core 6-week engagement
Delivery duration	6 weeks (typical)
Delivery method	Remote by default; on-site workshops available by agreement
Service availability	Monday-Friday 09:00-17:00 UK time (unless agreed otherwise)

1. Inclusions

Included in the fixed price:

- Mobilisation and kick-off
- Document review and evidence capture
- Stakeholder interviews and workshops (typical: up to 10-12 interviews and 2-3 workshops)
- Maturity scoring across agreed dimensions
- Current-state findings and recommendations
- Target operating model outline and phased roadmap
- Executive summary presentation and handover session

2. Optional add-ons (priced separately upon engagement)

Optional item	Description
KPI hierarchy and supporting metrics pack	A structured KPI hierarchy (strategic/tactical/operational) with supporting metrics, definitions and suggested data sources.
Technology options appraisal	Tooling and architecture options, decision criteria, reference patterns and a short-list recommendation (no procurement).
Initial business case pack	Value hypothesis, benefits model, delivery costs (indicative), risk treatment and investment options for approval.
On-site workshop day	Facilitated workshop on customer site. Travel time and expenses charged at cost.

3. Assumptions and exclusions

- Pricing assumes timely access to stakeholders and relevant documentation.
- Implementation/build activities (pipelines, dashboards, models, platform changes) are excluded unless agreed under a separate call-off.
- Travel and subsistence are excluded unless agreed otherwise. Travel and subsistence to be charged in line with Buyers
- Any additional scope beyond the core package will be agreed via a change request and priced separately.
