

PRICE LIST

Sno.	Product	Device	List Price For Annual Subscription			
			0-8 Units	9-72 Units	73-120 Units	120+ Units
1	HeadSpin Remote Control UI: <i>For executing manual and automated tests remotely on real devices deployed on cloud.</i> → Unlimited Users → CI/CD Integration and Support for 60+ Automation Frameworks → Mini-remote: Easiest and natural way of manual testing on remote devices accessed on handheld devices with multi-gesture support Add On - Experience+: <i>For validating application performance</i> → Session Analysis, Annotation → In Built Grafana UI for creating custom dashboards → Replica DB - PostgreSQL Data Pipeline for Reporting → KPIS: Page Content, Page Load Analysis & more → Issues: Slow Launch, Loading Animation, Low Page Content, Rage Tapping, etc. Standard Platform Support → 8x5 platform support through Email Helpdesk	Mobile Device / Media / Desktop Browser / Zebra Device	\$4,400	\$4,290	\$4,070	\$3,850
2	Add On - Performance+ <i>For validating Network & Device performance</i> → KPIs: In/Out Bytes,, Throughput, Signal Strength, Download Speed, Memory, Battery Usage & Temperature ,CPU metrics → Issues: TLS Exception, Slow server and downloads, Slow / Duplicate DNS Query, High Battery Drain & More		\$200	\$200	\$200	\$200
3	Add On - Monitoring+ <i>For proactive performance monitoring & regression Analysis using Grafana, Alert Watchers & Regression Intelligence for side by side comparisons to</i>		\$200	\$200	\$200	\$200
4	Add On - Media+: <i>For Validating AV Experience</i> → KPIs: Blurriness, Blockiness, Downsampling Index, Frame Rate, Frame Render Time, Audio Match Analysis → Issues: Poor Video Quality, Low Frame Rate, Too Loud / Quiet		\$200	\$200	\$200	\$200
5	Device Subscription : <i>Procuring devices, maintenance, and replacement in case of failures.</i> <i>This item is applicable only for mobile devices and will not apply if client provides the mobile devices</i>		\$1,000	\$1,000	\$1,000	\$1,000
6	SIM Subscription: <i>Procurement, management & maintenance of SIMs.</i> <i>This item will not apply if client provides the SIMs</i>		Location Specific Pricing \$XXXX			
7	Audio Enablement : <i>Hardware & Software APIs enabling remote injection and playback of audio.</i> <i>This item is applicable only for mobile devices where audio based use cases are involved</i>		\$400	\$400	\$400	\$400

Device Infra Only (Functional Testing)
