

PPL Innovate Pricing Document

G-Cloud 15

January 2026

The pricing provided in this document assumes an out-of-the-box configuration and represents the annual ongoing costs for the relevant service(s). Prices of all our core modules are included below for completeness, as modules can complement each other.

Please identify the relevant service in column one – all ongoing pricing options are included in the same row, depending on the service level chosen.

Pricing for implementation and further configuration will vary according to configuration, complexity and client organisation requirements and will be based on the SFIA rate card provided. Please contact PPL Innovate via sales@peopleplaceslives.co.uk for further information.

A quote will be provided following discussion with interested organisations.
