Pricing Rate Card

G-Cloud 15 – Lot 3 Cloud Support Services

Strategic / Advisory Support

Pricing model

Pricing is provided on a **time and materials** basis using the day rates below. All pricing is exclusive of VAT.

Rates apply to standard UK business hours unless otherwise agreed at call-off stage.

Day rates

Role	Description	Day rate (£)
Principal Consultant / Director	Senior strategic advisory, governance, assurance, and executive engagement	£1,200
Senior Consultant	Delivery of advisory, assessment, and assurance activities	£950
Consultant	Research, analysis, and delivery support activities	£750
Specialist Associate (where required)	Niche or specialist expertise provided on a call-off basis	£900–£1,100

Pricing assumptions

- A standard working day is 7.5 hours
- Engagement length and resourcing are agreed at call-off stage
- Travel and subsistence (where required) are charged at cost and agreed in advance
- No minimum contract value applies

Variations and additional services

- Reduced rates may be available for longer engagements
- Accelerated delivery, enhanced availability, or specialist support can be agreed and priced at call-off stage
- Fixed-price engagements may be agreed for clearly defined scopes

Invoicing

Invoicing frequency and payment terms are in accordance with the **G-Cloud Call-Off Contract**.
