	From 25001 to 50000	34.12
	From 50001	27.03

b. Service Description and Short Name

Long Name	Short Name	Description
Sana Learn	SLRN	Sana Learn is an AI-native Learning platform that enables organizations to create and deliver learning experiences through content authoring, personalization, and engagement tools with role-based access to dashboards and performance data across an organization. Sana Learn provides a single hub to manage and host interactive courses and live sessions, allowing users to generate content and courses dynamically from source material while applying their own branding and customizations.

2. Key Assumptions

- Full pricing information and terms will be set out in the Customer's Workday order Form(s). All prices listed are exclusive of VAT.
- Use of Workday Agent and Platform capabilities may require the purchase of Flex Credits.
- A minimum commitment of 1,000 documents is required for both CDIB and CLMB licenses. Beyond this minimum, customers can purchase any quantity of documents according to their specific requirements.
- This pricing applies to standalone purchases only; however, customers interested in a broader Workday offering should consult the Workday Enterprise Resource Planning Pricing Document for additional package options.
- Minimum deal values will apply.
- Use of the Customer Audit Program is subject to an additional Workday Order Form and such support is charged at £246 per hour.
- This document is provided for guidance and reference only and it is not intended to be attached to the contract between the parties.
