Application Support Service Charges3

Application Support Service Charges

Our charges are based on the total value of the software development project and are calculated based on:

1. A fixed cost per period based of the support package you have chosen (Basic, Standard, or enhanced). These costs can be found in our standard Bespoke Support Pricing document and are subject to change.
2. A variable fee based on the total development cost of the application. Additional or incremental development will result in additional fees as per the table below:

Package	Base Fee per period	Development cost less than £100,000	Additional Developments up to £250,000-	Additional Developments over £250,000-
Basic	As per order	15% of development cost	12% of additional development cost	9% of additional development cost
Standard	As per order	15% of development Cost	12% of additional development cost	9% of additional development cost
Enhanced	As per order	15% of development cost	12% of additional development cost	9% of additional development cost
