1.0 Scope of our services

Description

Our comprehensive Oracle Health Millennium Reporting Suite presents digestible information from previously concealed data scattered across the EPR's various modules, allowing its use in key decision making, operational & clinical metric tracking and the creation of reports.

- Clinical Reporting tool, including ICNARC
- Electronic Prescription and Medication Administration (EPMA/ Pharmacy) Reporting tool
- Oracle Health Patient Administration System (PAS) Build Audit Service & Tool
- Oracle Health Patient Data Quality tool
- Oracle Health Referral to Treatment (RTT)/ Patient Tracking List (PTL) tool

Features

- Digestible Millennium EPR information at a glance
- Configurable views of Millennium EPR data
- Enables Clinical report creation from Oracle Health's Millennium
- Track operational and clinical metrics for performance evaluation
- Ensure EPR data quality
- Enhances visibility and utilisation of Millennium Electronic Patient Record

Benefits

- Reduce the burden of clinical reporting
- Digestible information presented, informing key decisions
- Facilitates clinical monitoring, improving treatment outcomes
- Improve operational efficiencies with clear, detailed information
- Unlocks Oracle Health's Millennium full capabilities
- Near real-time data, allowing quick decision making

4.0 About Accenture

Accenture is a leading global professional services company that helps the world's leading businesses, governments and other organisations build their digital core, optimise their operations, accelerate revenue growth and enhance citizen services—creating tangible value at speed and scale. We are a talent- and innovation-led company with approximately 799,420 people serving clients in more than 120 countries. Technology is at the core of change today, and we are one of the world's leaders in helping drive that change, with strong ecosystem relationships. We combine our strength in technology and leadership in cloud, data and AI with unmatched industry experience, functional expertise and global delivery capability. We are uniquely able to deliver tangible outcomes because of our broad range of services, solutions and assets across Strategy & Consulting, Technology, Operations, Industry X and Song. These capabilities, together with our culture of shared success and commitment to creating 360° value, enable us to help our clients reinvent and build trusted, lasting relationships. We measure our success by the 360° value we create for our clients, each other, our shareholders, partners and communities
