1.0 Scope of our services

The Accenture Media Redaction Solution can consistently review and redact PII information with minimal input across both text and video. This redaction solution uses advanced artificial intelligence to help protect against unintentional exposure of **Personally Identifiable Information (PII)** such as names, addresses, phone numbers, financial details, faces, and other sensitive data that is specified.

Asset Features:

- Access to authorized users through Azure Active Directory
- Text Redaction: Redaction of sensitive Text from PDFs, Word Docs and Emails
- Video Redaction: Redaction of List of Faces & Objects detected
- Storage and Download of the Redacted files.

Asset Benefits:

- Minimize the risk of information leaks
- Identify and redact sensitive information including PII, PHI confidential information
- Quickly respond to data breaches or privacy requests (to comply with GDPR)
- **Cost:** Cut down on review costs, it frees up valuable time for business.
- **Time:** Solution allows you to review more information in less time.
- **Accuracy:** With automated redaction consequences that can result from an individual oversight or human error can be eliminated.

4.0 About Accenture

Accenture is a leading global professional services company that helps the world's leading businesses, governments and other organisations build their digital core, optimise their operations, accelerate revenue growth and enhance citizen services—creating tangible value at speed and scale. We are a talent- and innovation-led company with approximately 799,420 people serving clients in more than 120 countries. Technology is at the core of change today, and we are one of the world's leaders in helping drive that change, with strong ecosystem relationships. We combine our strength in technology and leadership in cloud, data and AI with unmatched industry experience, functional expertise and global delivery capability. We are uniquely able to deliver tangible outcomes because of our broad range of services, solutions and assets across Strategy & Consulting, Technology, Operations, Industry X and Song. These capabilities, together with our culture of shared success and commitment to creating 360° value, enable us to help our clients reinvent and build trusted, lasting relationships. We measure our success by the 360° value we create for our clients, each other, our shareholders, partners and communities
