1.0 Scope of our services

Description

Part of our comprehensive Millennium Electronic Patient Record (EPR) Portal, the EPR Programme Portal consolidates the key information from the various EPR programme workstreams that are critical to the success of your digital transformation programme. For each programme workstream project management burden is lowered by enabling the Programme portal which allows for easy to update, digest and follow tasks.

Features

- Configurable depending on programme
- Configurable project information, e.g. Project duration
- For Oracle Health Millennium projects, integrates with MethodM project portal
- Capture programme data
- Collates Data Collection Worksheets (DCW)
- Monitoring of programme metrics through dedicated pages and dashboards

Benefits

- Clear programme updates
- Consolidation of DCW's
- Clear visibility, tracking of various metrics through dashboards

4.0 About Accenture

Accenture is a leading global professional services company that helps the world's leading businesses, governments and other organisations build their digital core, optimise their operations, accelerate revenue growth and enhance citizen services—creating tangible value at speed and scale. We are a talent- and innovation-led company with approximately 799,420 people serving clients in more than 120 countries. Technology is at the core of change today, and we are one of the world's leaders in helping drive that change, with strong ecosystem relationships. We combine our strength in technology and leadership in cloud, data and AI with unmatched industry experience, functional expertise and global delivery capability. We are uniquely able to deliver tangible outcomes because of our broad range of services, solutions and assets across Strategy & Consulting, Technology, Operations, Industry X and Song. These capabilities, together with our culture of shared success and commitment to creating 360° value, enable us to help our clients reinvent and build trusted, lasting relationships. We measure our success by the 360° value we create for our clients, each other, our shareholders, partners and communities
