1.0 Scope of our services

Description

Part of our comprehensive Millennium Electronic Patient Record (EPR) Portal, the EPR Cutover dashboard compiles and displays, at a glance, the list of 'go live weekend' tasks and steps critical in the transitioning from your old systems to your new EPR.

Features

- Displays Clear and digestible EPR cutover information
- Offers real-time updates on task completion and progress
- Allows customisation of the dashboard to fit specific needs

Benefits

- Data-driven insights for better decision-making throughout the transition
- Lower the risks of the go live weekend by collating all tasks to ensure nothing is missed
- Allows for simplified communication across teams around a 'single source of the truth'

4.0 About Accenture

Accenture is a leading global professional services company that helps the world's leading businesses, governments and other organisations build their digital core, optimise their operations, accelerate revenue growth and enhance citizen services—creating tangible value at speed and scale. We are a talent- and innovation-led company with approximately 799,420 people serving clients in more than 120 countries. Technology is at the core of change today, and we are one of the world's leaders in helping drive that change, with strong ecosystem relationships. We combine our strength in technology and leadership in cloud, data and AI with unmatched industry experience, functional expertise and global delivery capability. We are uniquely able to deliver tangible outcomes because of our broad range of services, solutions and assets across Strategy & Consulting, Technology, Operations, Industry X and Song. These capabilities, together with our culture of shared success and commitment to creating 360° value, enable us to help our clients reinvent and build trusted, lasting relationships. We measure our success by the 360° value we create for our clients, each other, our shareholders, partners and communities
