1.0 Scope of our services

Description

Part of our comprehensive Millennium Electronic Patient Record (EPR) Portal, the EPR Downtime Admission Discharge Transfers (ADT) dashboard ensures that critical ADT patient information is viewable in the event of any EPR downtime; During an EPR “Go-Live”, EPR planned outage (upgrade and/or maintenance) or EPR unplanned outage (technical issue and/or emergency maintenance).

Features

- Displays Clear and digestible ADT information
- Efficient coordination of patient transfers and discharges during EPR interruptions
- Quick access to essential patient information for clinical decision-making
- Designed with ease of use in mind for all stakeholders
- Allows customisation of the dashboard to fit specific needs

Benefits

- Digestible information at a glance
- Improved Operational Efficiency
- Allows for continuous Patient Care

4.0 About Accenture

Accenture is a leading global professional services company that helps the world's leading businesses, governments and other organisations build their digital core, optimise their operations, accelerate revenue growth and enhance citizen services—creating tangible value at speed and scale. We are a talent- and innovation-led company with approximately 799,420 people serving clients in more than 120 countries. Technology is at the core of change today, and we are one of the world's leaders in helping drive that change, with strong ecosystem relationships. We combine our strength in technology and leadership in cloud, data and AI with unmatched industry experience, functional expertise and global delivery capability. We are uniquely able to deliver tangible outcomes because of our broad range of services, solutions and assets across Strategy & Consulting, Technology, Operations, Industry X and Song. These capabilities, together with our culture of shared success and commitment to creating 360° value, enable us to help our clients reinvent and build trusted, lasting relationships. We measure our success by the 360° value we create for our clients, each other, our shareholders, partners and communities
