

Service pricing

This service is priced based on anticipated resource requirement. Resources will be charged in accordance with our G-Cloud 15 rate card.

Two pricing options are available:

- **Firm price.** The firm price will be based on the anticipated resource requirements including provision for risk. Provision for travel and subsistence cost will be made. Payment will be required against achievement of agreed milestones. Customers may request clarification of the number of days by SFIA grade for their specific deliverables, which will be confirmed by Actica for contract award.
- **Limit of liability.** The limit of liability will be agreed based on an anticipated resource requirement. Charges will then be made monthly in arrears against resource effort expended. A limit of liability will also be agreed to cover travel and subsistence. Travel and subsistence costs will be charged at cost (including the Authority's Management Charge) monthly in arrears against cost incurred.

Ordering and invoicing process

Specific details of the clients requirement should be sent to cloud@actica.co.uk. Following discussions about your requirement Actica will send a fully priced proposal detailing the services to be provided. Once approved a valid purchase order should be sent to finance@actica.co.uk for processing. Once the work is completed and accepted by the client Actica will invoice the client for the work. Payment is expected within 30 days. We are able to use a range of electronic purchase and payment systems (e.g. CP&F).
