1. Pricing for OneAdvanced's ILP & Markbook

OneAdvanced is the UK's third largest provider of business software and services with a £330m turnover, 10,000 customers and 1,800 employees. We provide enterprise and market-focused solutions that allow our customers to reimagine what is possible, innovate in their sectors and improve the lives of millions of people in the UK.

OneAdvanced solutions help to care for 65 million patients in the UK, send 10 million sports fans through the turnstiles, manage over £1 billion in charity donations, support 2.5 million students and get over 1.2 billion passengers to their destinations on time. By continually investing in our people, partnerships, and technologies, we provide right-first-time solutions that evolve with the changing needs of our customers and the markets they operate in.

Our sector knowledge means we power the world of work to suit your needs.

Our implementation playbooks deliver best practice projects to meet the needs of our sectors, something about pre-configured processes to reduce timescales, cost, risk etc.

The Software as a Service (SaaS) pricing detailed for our ILP & Markbook solution is based on the following modules. We can configure our modular ILP & Markbook solution to meet your specific needs.

Pricing tables cover the functionality of ILP & Markbook at the time of submission.

Please refer to the Service Definition Document for full detail of the functionality of ILP & Markbook.

Prices valid as at the date of this document. Indexation may apply to call off contracts.

1.2. Trial Periods

Trial periods are not typically offered but can be agreed on a case by case basis. Proofs of concept are more typically offered, subject to detailed plans, agreed objectives, and post period reviews to determine ongoing service status. This is not typically offered on a free of charge basis.

1.3. Exit Costs

If a contract is terminated in line with the terms and conditions, there are no specific costs for exiting the software. However, where an organisation wishes to have some form of on-going post termination access for historical purposes, an additional cost may be levied to provide such.

1.4. Education or Research Establishment Pricing

Our products and prices are designed to meet the requirements for education providers.

1.5. Payment Options

The payment options available are:

- Purchase Order, Subsequent Invoice and BACS Payment; and
- Automated payment methods

Typically, orders are invoiced annually in advance with 30 day payment terms.

1.6. Volume Discounts

If applicable, Volume discounts are described in the pricing table above.

1.7. Services Day Rates

The following Day Rates will apply for any additional services. Standard Installations and Training are typically performed by an Engineer or Consultant grade, whilst bespoke services and consultancy is typically fulfilled by a Project and/or Programme manager. The scope of any additional services will be agreed ahead of finalising an order.
