1. Agilisys Platform Service Pricing

The Agilisys Platform pricing model is transparent, scalable, and based on usage rather than user numbers. Annual subscription tiers are aligned to the volume of Tokens (typically one token per use) per month, providing predictable budgeting and value for money.

Tokens per annum	500	850	1,200	1,550	>1,550
Per month	£3,000	£5,000	£7,000	£9,000	£2,000 per month per 350 tokens
Per annum	£36,000	£60,000	£84,000	£108,000	

Our implementation model provides full system setup, configuration, training, and customer success support at no additional charge.

2. Rate Card

Services are offered on a Rate Card basis for Managed and Professional Services, including Onboarding of Services.

Managed Services charges are based on the scope, scale and complexity as well as the service levels and other requirements that the Customer specifies. Charges will be based on the Rate Cards detailed within this Pricing Document.

Please contact info@agilisys.co.uk to request a quote.

3. Remote Delivery of Services

The Rate cards reflect Services that are delivered remotely. Where Customers require on-site delivery of services, Expenses will comply with the Customer's published expense policy (subject to this being provided when the Service is ordered and will be chargeable in addition to the Rate Card rates included within this Pricing Document.
