1. Rate Card

Services are offered on a Rate Card basis for Managed and Professional Services, including Onboarding of Services.

Managed Services charges are based on the scope, scale and complexity as well as the service levels and other requirements that the Customer specifies. Charges will be based on the Rate Cards detailed within this Pricing Document.

Please contact info@agilisys.co.uk to request a quote.

2. Resold third-party services

Third-party services, such as Microsoft Azure will be charged at the vendor's prevailing published price list which may increase from time to time. Where prices change, Agilisys reserves the right to pass these increases on to the customer with immediate effect.

Where prices are presented in US Dollars, prices will be converted to GB Pounds at the prevailing exchange rate on date of invoice.

3. Remote Delivery of Services

The Rate cards reflect Services that are delivered remotely. Where Customers require on-site delivery of services, Expenses will comply with the Customer's published expense policy (subject to this being provided when the Service is ordered and will be chargeable in addition to the Rate Card rates included within this Pricing Document.

4. Standard Arrangements for GCloud 15 Rate Cards
