Storage

Atos Storage and Data Protection provides both scalable storage capacity and fully managed operations, allowing customers to consume storage as a service while Atos handles day-to-day administration.

Capacity is offered in tiered service levels to align performance and cost to workload needs. The service supports both file storage (shared file services) and block storage (SAN-style volumes) across on-premises, hosted and hybrid deployments.

Storage Tier	PerTB/Per month
Capacity tier [Bronze - Silver]	£ 80.72
Performance tier [Gold]	£ 102.82
Premium tier [Platinum Diamond]	£193.82
