

PRICING DOCUMENT

Mood 17 Business Architect Licence

Mood Business Architect is available via hard media or on-line download, with flexible licensing models and additional support and professional services available on demand. A number of key features are provided by Mood 17 Business Architect and Mood 16 Repository Manager.

- Metamodel
- Modelling & Analysis
- Data Integration
- BPMN-style Workflow Engine
- Content Management
- Views & Journeys
- User Management
- Application Management.

The components contain all software prerequisites except for Microsoft SQL Server (SQL Express can be used). Please see Service Definition Document for more information on features and benefits. The tables below detail the licence costs, the available options and what is included:

Cost Table for Unhosted Mood Business Architect Users (MBA)

No. of Named MBA Licenses	1	10	20	30+
Cost Per User Per Month	£220	£200	£180	£160
