

Pricing for UX Forms Consultancy

Our pricing for UX Forms Consultancy is based on a time-and-materials commercial model. Our consultants are assigned at the appropriate [Government Digital and Data Profession Capability Framework](#) daily rates as set out in our G-Cloud 15 Lot 3 Rate Card, plus VAT and reasonable expenses where applicable and allowed.

Volume discounts

Equal Experts offers a variety of discounts on our standard rates based on the committed volume of work across an agreed term. Where offered, these discounts will also be offered to other clients with similar requirements.

Volume discounts are only eligible where clients have agreed to 30-day payment terms and have issued timely purchase orders.

Sector pricing

We are happy to offer a 5% discount to educational institutions. Where the 5% educational institution discount is applied, no volume discounting will be given.
