

G-Cloud 15

Pricing Document

Lot 2b SaaS

Pricing

The pricing model to deploy and manage our Agentic AI solutions consists of two components:

- **Initial setup, data integration and MVP build: £50,000–£200,000 (depending on scope)**

A one-off consulting project applicable to year 1 only, the cost depends on the solution scope and requirements and covers the following activities:

- Installation and configuration for up to 3 environments (within the customer's own cloud tenancy)
- Data integration & data modelling
- Build of a minimum-viable product (MVP) based on the customer's own use cases
- User pilot for solution assessment and refinement
- Production readiness and deployment
- Post go-live hypercare

- **Monthly managed services: £10,000 per month (or £15,000 per month with 24x7 support)**

A fixed-price monthly managed service to provide ongoing support and maintenance plus assigned days for delivering additional solution configuration and extension:

- Support Helpdesk
- 24x7 out-of-hours support (optional)
- Additional data content (to extend the existing use cases only)
- Application configuration e.g. NLP tuning & optimisation
- Patching, upgrades
- Usage monitoring and reporting

NOTE: These prices do not include any discounts available by Call Off level as specified on our G Cloud 15 service entry. Further discounts may also be available depending on precise customer requirements.

On the next slides, we have also provided our G Cloud rate card for additional services to support implementation.

Pricing rate card

We have also provided our consultancy rates for any wrap-around/professional services activities requested by the customer to support the implementation of their SaaS requirements

All figures are quoted in £ sterling per day, exclusive of VAT.

Our current professional day rates are available on the Digital Marketplace. For completeness they are also shown over (aligned to the GDAD job families), according to the skills required, seniority and experience. This rate card allows us to offer you the most competitive rates, matched against the required skillset on a case-by-case basis.

Standard pricing assumptions

Consultant's working day: 8 hours, excluding travel and lunch

Working week: Monday to Friday, excluding national holidays

Default office hours: 0900 to 1800 Monday to Friday. Support desk hours will be based on customer requirements.

Travel, mileage subsistence: Included in day rate within M25. Payable at the organisation's standard T&S rate outside M25

Professional indemnity insurance included in day rate

Travel and Subsistence

For on-site requirements, wherever possible, we'll provide people who are local to the area where the work will be carried out so that expenses will not be incurred. Where this isn't possible, we reserve the right to charge travel and subsistence expenses in accordance with the standard pricing assumptions and contractual agreements. No travel expenses will be incurred for work undertaken in any of TPXimpact's offices.

Payment Terms

Our pricing rate card assumes that all work undertaken will be on a Time-and-Materials basis with billing monthly in arrears based on actual utilisation. Our payment terms are 30 days from presentation of a valid invoice.
