# Pricing rate card

We have also provided our consultancy rates for any wrap-around/professional services activities requested by the customer to support the implementation of their SaaS requirements

All figures are quoted in £ sterling per day, exclusive of VAT.

Our current professional day rates are available on the Digital Marketplace. For completeness they are also shown over (aligned to the GDAD job families), according to the skills required, seniority and experience. This rate card allows us to offer you the most competitive rates, matched against the required skillset on a case-by-case basis.

## Standard pricing assumptions

Consultant's working day: 8 hours, excluding travel and lunch

Working week: Monday to Friday, excluding national holidays

Default office hours: 0900 to 1800 Monday to Friday. Support desk hours will be based on customer requirements.

Travel, mileage subsistence: Included in day rate within M25. Payable at the organisation's standard T&S rate outside M25

Professional indemnity insurance included in day rate

## Travel and Subsistence

For on-site requirements, wherever possible, we'll provide people who are local to the area where the work will be carried out so that expenses will not be incurred. Where this isn't possible, we reserve the right to charge travel and subsistence expenses in accordance with the standard pricing assumptions and contractual agreements. No travel expenses will be incurred for work undertaken in any of TPXimpact's offices.

## Payment Terms

Our pricing rate card assumes that all work undertaken will be on a Time-and-Materials basis with billing monthly in arrears based on actual utilisation. Our payment terms are 30 days from presentation of a valid invoice.
