IBM has a strategic MoU with Crown Commercial Services (CCS) which is applicable to all Public Sector Customers buying via G-Cloud. This provides agreed baseline levels of discounts and details higher levels of discounts for larger volumes or greater durations of contract. The IBM pages describing this are at https://ibm.biz/ccs_mou. Public Sector clients can request a full copy of the IBM MOU from CCS by sending an email to info@crownccommercial.gov.uk

The pricing in this G-Cloud Offering takes account of the MOU baseline discounts. As IBM's portfolio is somewhat complex and there are several factors that affect the pricing; if your requirements are for more than just one license for a month, we would suggest that you contact us directly to ask us to provide you with pricing with the correct levels of discount for the term and volumes that you require. The email address for G-Cloud related enquiries is ukcat@uk.ibm.com. Please ensure that you indicate which G-Cloud Offering(s) you are requesting details for.
