

IBM Technology

The background of the entire page is a dark, high-contrast image of a complex circuit board. In the center-right, a glowing blue cube is superimposed on the circuitry. The cube's faces are textured with circuit patterns, and two of its visible faces feature a bright blue, pixelated cloud icon. From the base of the cube, several vertical blue lines extend downwards, resembling data connections or light trails. The overall aesthetic is high-tech and digital.
