Mulesoft Training Benefits

MuleSoft Course & Exam Catalogue

Training delivery methods

Instructor-led training is available online or in person as:

- **Public** classes that are scheduled regularly in several time zones.
- **Private** classes for customers and partners anywhere worldwide.

Free, self-paced training is available for a subset of our courses.

We can submit the information as detailed. Much of this information is publicly available on our website, and you may refer them there for additional details if needed. We also list the Academy site:

<https://trailheadacademy.salesforce.com/>

Training terms and conditions

For all terms and conditions, see [here](#).

Salesforce Learning Credits

Learning Credits are a convenient and cost-effective way of purchasing MuleSoft Training and Certifications. Each credit can be used to purchase £1 value of training courses or certification exams and each service has a price in credits.
