Duplicate Payment Recovery Service Pricing

All prices quoted are exclusive of VAT.

The Duplicate Payment Recovery Service is an end-to-end identification & recovery service, where we will identify duplicate payments and un-posted credits, and our service teams will undertake recovery action.

We deliver this work as a fully managed service on a “risk and reward” contingency fee basis, where we take all the risk if we are not successful and means there are no upfront costs or resource costs payable. The fee is calculated as a percentage of the total value of recoveries achieved.

Fee Type	Fee
Standard Fee	25%
Minimum Fee	12.5%

The standard fee may be discounted depending on the overall total of recoveries achieved. A fixed fee or a combination of a fixed fee and contingency fee may be charged as an alternative where significant recoveries are not expected, or the service is required primarily for audit compliance or continuous improvement purposes.
