*Google may increase the list price of their licences at any point during the G Cloud 15 Framework and as such we reserve the right to modify the above prices in that eventuality. This will not affect any existing Call Off contracts let under G Cloud 15 for committed periods until the end of the initial Commit term, please contact Netpremacy for details prior to contract award.		
*Google may offer pricing discounts on Enterprise licences as part of further competition events, subject to the licence volumes involved, please contact Netpremacy for details and confirmation.		
*Enterprise Starter available in select countries only. Contact Netpremacy for details on this licence SKU.		
*AppSheet User Pass available in Annual Commit Only.
