Cadcorp Map and Data Service

Subscription charges

The ongoing subscription charges for the Cadcorp Map and Data Service are payable on order and set out in the table below:

Cadcorp Map Service	Subscription charges
Open Map Service Full Great Britain extents supplied as WMS and WMTS. This service is based on Ordnance Survey (OS) Open Zoomstack and includes the following Zoomstack styling options: • Outdoor • Night • Light • Road.	£100 per month
Premium Map Service Full Great Britain extents supplied as WMS and WMTS. This service is based on a customer's Public Sector Geospatial Agreement (PSGA) data licence. Includes the Open Map Service and a Map Service of the following Ordnance Survey (OS) data products: • OS MasterMap® Topography Layer • OS VectorMap Local Raster • OS VectorMap District Raster • OS 1:50,000 Scale Colour Raster • OS 1:250,000 Scale Colour Raster • OS MiniScale.	£150 per month
Vector Map Service OS MasterMap® Topography Layer as a vector map service direct from a spatial database. This service is based on a customer's Public Sector Geospatial Agreement (PSGA) data licence.	£300 per month

Cadcorp Data Service	Subscription charges
Open Data Service Cadcorp provide direct access to a wide range of open data directly from a secure Cadcorp datastore. Data suppliers include: • British Geological Survey • Department for Levelling Up, Housing and Communities • Environment Agency • Historic England • Natural England • Historic Environment Scotland • Natural Resources Wales • Ordnance Survey.	£100 per month
EPC Data Service Vector access to Energy Performance Certificate (EPC) ratings for residential properties in Great Britain to support viewing, querying and analysis.	£150 per month

Pricing Notes

- Subscription charges are invoiced annually and are non-refundable in the event of a cancelation.
- Map Service pricing is based on a typical customer that requires less than 2 million WMS transactions and/or 30 million WMTS tiles per year.
- Cadcorp Data Service pricing is based on a typical customer using up to 100 concurrent connections per customer.
- Additional management tasks can be purchased based on a £1,100 day rate.
- The Cadcorp Map and Data services will be available in British National Grid. If a different Coordinate Reference System is required customers should contact NEC to discuss the options available.
