NEC Hearings Manager

NEC specialises in the provision of products, professional services and secure hosting to the Policing and Justice sectors. We have developed and supported a variety of applications and have provided secure hosting and other professional services to Central Government and the public sector. We also provide secure accredited cloud hosting to other suppliers and government as SaaS offerings. NEC is ISO 27001:2022 and Cyber Essentials Plus certified. Our Information Security Management System (ISMS) is core to all our operations, both in terms of development and support. NEC staff are security cleared to SC level and our ongoing security awareness training ensures that they remain abreast of and fully understand the absolute primacy of information security:

- We deliver cost effective solutions on time and within budget
- We work in an Agile, Flexible, Open, Honest and Transparent way
- We provide support and development of open source and legacy application
- We offer high availability and advanced security
- We operate with a well-respected and highly praised support team.

All our prices are transparent, ensuring you get the very best deal without worrying about any hidden costs or features.

Our tiered managed services approach ensures you are not overcharged for any unnecessary add-ons. We value our customers and want the best solution to fit your needs.
