Cadcorp SIS WebMap

On-boarding charges

The one off on-boarding charge for Cadcorp SIS WebMap is payable on order and set out in the table below:

Description	On-boarding Charge
The following on-boarding activities are provided for Cadcorp SIS WebMap: • Installation, setup and configuration of WebMap, GeognoSIS® and a PostGIS spatial database onto Microsoft Azure Cloud Server. • Data Configuration including the creation of project files and data files for base mapping and business layers. • Set up mapping service based on Ordnance Survey (OS) Maps API or Cadcorp Open or Premium Map Service. • Configuration of Gazetteer and Search options (based on data loaded using Cadcorp Address Loader) or Code-Point Open. • Project management to confirm customer requirements, assess data readiness for WebMap and schedule the project.	£5,500

Subscription charges

The ongoing subscription charge for Cadcorp SIS WebMap is payable on order and set out in the table below:

Description	Subscription charges
A subscription to Cadcorp SIS WebMap as a fully hosted service on a Microsoft Azure Cloud server. The service includes: • Microsoft Azure hosted server including up to 512GB of Premium Solid State Storage. • WebMap and GeognoSIS® subscription licence.	£1,325 per month

Description	Subscription charges
• PostGIS spatial database and database management application. • NEC Support Services. • Cadcorp Open or Premium Map Service and Cadcorp Open Data Service. • Cadcorp SIS ETL data management application. • Application Management Tasks: ➔ Application health check including monitoring resources. ➔ High level data and security review. ➔ Installing new software service releases as required. ➔ Running and monitoring data management tasks.	

Additional Service Options

The WebMap On-boarding and Subscription charges provide everything that is required to deliver an off the shelf web mapping application. NEC can optionally provide additional service options and can offer advice on when these should be considered. Please contact NEC to discuss these additional service options in more detail.
