Supplier Licence Terms

Oracle 'Supplier Licence Terms' for Cloud Services under CCS Framework Contract RM1557.15

These Terms represent the Supplier Licence Terms as envisaged by the Framework Contract entered into between Oracle and the Authority. They form part of a Call-Off Contract entered into between Oracle and the Buyer identified in a relevant Order Form pursuant to the Framework Contract. Words or phrases used in this document which are defined in the Call-Off Contract have the same meaning when used in these Supplier Licence Terms.

References in these Supplier Licence Terms to **"General Terms"** are references to the General Terms of the Framework Contract, as amended by the Framework Award Form.

References in these Supplier Licence Terms to "Oracle" "we", "us" or "our" are references to Oracle Corporation UK Limited and references to "You" or "Your" are to the Buyer identified in the Order Form.

1. Use of the Services

- 1.1. You have the non-exclusive, worldwide, limited right to use the Services and/or Deliverables during the relevant Call-Off Contract Period for the provision of Oracle's cloud services, unless earlier terminated in accordance with the Call-Off Contract, solely for Your internal business operations. You may allow Your Users to use the Services and/or Deliverables for this purpose, and You are responsible for their compliance with the Call-Off Contract. For the avoidance of doubt, the licence granted in respect of the Services and/or Deliverables does not include the right for the Buyer to authorise use by a Replacement Supplier or include any right to change or modify the Services and/or the Deliverables (other than for configuration options present within the Services and/or Deliverables themselves).
- 1.2. The Service Specifications (as defined in section 12 below) describe and govern the Services. Any provisions in Framework Schedule 1 (Specification) that would require Oracle to deliver the Services in a manner that would be inconsistent with the Service Specifications shall not apply. The Services offered under this Call-Off Contract are standard Oracle service offerings and You are responsible for selecting the Services to meet Your requirements. During the Call-Off Contract Period, we may update the Services and Service Specifications to reflect changes in, among other things, laws, regulations, rules, technology, industry practices, patterns of system use, and availability of Third Party Content (as defined in section 12 below). Oracle updates to the Services or Service Specifications will not materially reduce the level of performance, functionality, security or availability of the Services during the Call-Off Contract Period. Updates and enhancements to the Services and/or Deliverables that are made generally available by us to our customers at no additional charge to their ongoing recurring charges shall be similarly provided to the Buyer at no increase in the Charges. Oracle will endeavour to give as much notice as possible of any new version of the software used to provide the Services but the Buyer recognises that it may not be practical to give three (3) months' advance notice of a new version, particularly where such new version is issued to address a potential Defect affecting the Services. The Buyer acknowledges and agrees that Clauses 2.16 and 2.17 of the General Terms (introduced by Framework Special Term 15) and Clause 3.7 of the General Terms (introduced by Framework Special Term 5) shall not apply. Call-Off Schedule 6 (ICT Services) shall not apply to this Call-Off Contract.
- 1.3. Clauses 2.11, 2.12, 2.13 and 2.15 of the General Terms (introduced by Framework Special Term 2) shall not apply to this Call-Off Contract. Clause 3.7.3 and Clause 3.7.4 (b) of the General Terms shall not apply where any of the Cloud Products and/or COTS Software will be withdrawn. Clause 4.12.4 of the General Terms (introduced by Framework Special Term 6) shall not apply to this Call-Off Contract.

- 2.1. You or Your licensors retain all ownership and intellectual property rights in and to Your Content. We or our licensors retain all ownership and intellectual property rights in and to the Services, Deliverables, derivative works thereof, and anything developed or delivered by or on behalf of us under this Call-Off Contract including all New IPR (except for any New IPR arising in relation to Your Content) and any Specially Written Software.
- 2.2. You may have access to Third Party Content through use of the Services. Unless otherwise stated in Your Order Form, all ownership and intellectual property rights in and to Third Party Content and the use of such content is governed by separate third party terms between You and the third party.
- 2.3. You grant us the right to host, use, process, display and transmit Your Content to provide the Services pursuant to and in accordance with the Call-Off Contract. You have sole responsibility for the accuracy, quality, integrity, legality, reliability, and appropriateness of Your Content, and for obtaining all rights related to Your Content required by Oracle to perform the Services.
- 2.4. You may not, and may not cause or permit others to: (i) modify, make derivative works of, disassemble, decompile, reverse engineer, reproduce, republish, download, or copy any part of the Services and/or Deliverables (including data structures or similar materials produced by programs) unless required to be permitted by law for interoperability; (ii) access or use the Services to build or support, directly or indirectly, products or services competitive to Oracle; or (iii) license, sell, transfer, assign, distribute, outsource, permit timesharing or service bureau use of, commercially exploit, or make available the Services, Deliverables or this Call-Off Contract to any third party except as permitted by these Supplier Licence Terms. For the avoidance of doubt, no element of the software used to provide the Services or created in the course of the provision of the Services can be published by the Buyer as 'open source'. Call-Off Schedule 1 (Intellectual Property Rights) and Clauses 10.4 and 10.8 to 10.10 (inclusive) of the General Terms (as amended by the Framework Special Terms) shall not apply to this Call-Off Contract.

3. Warranties, Disclaimers and Exclusive Remedies

- 3.1. Each party represents that it has validly entered into this Call-Off Contract and that it has the power and authority to do so. We warrant that during the Call-Off Contract Period we will perform the Services using commercially reasonable care and skill in all material respects as described in the Service Specifications and that any Deliverables will be produced using commercially reasonable skill and care and comply in all material respects as described in the Service Specifications. This warranty replaces all other performance or functionality related warranties, conditions or other requirements related to the quality or functionality of the Services and/or Deliverables. If the Services provided to You were not performed or if the Deliverables do not perform as warranted, You must promptly provide us with a written notice that describes the deficiency (including, as applicable, the service request number notifying us of the deficiency). For the purposes of Clause 11.1 of the General Terms, a Rectification Plan may only be required from Oracle where the production of such a plan is reasonably required given the nature of the deficiency in question. If it is agreed that a Rectification Plan is required in accordance with this section 3.1, it will be deemed sufficient to meet the Buyer's requirements and Clauses 12 and 13.3.1(c) of the General Terms shall not apply. The reference to 'three (3) Working Days' in Clause 11.1 of the General Terms shall be replaced with 'as soon as reasonably practicable'. We will notify You promptly if we become aware that any of the warranties and representations made by us pursuant to Clause 8 of the General Terms has become untrue or misleading.
- 3.2. **WE DO NOT WARRANT THAT THE SERVICES WILL BE PERFORMED OR THAT THE DELIVERABLES WILL PERFORM ERROR-FREE OR UNINTERRUPTED, THAT WE WILL CORRECT ALL SERVICES AND/OR DELIVERABLE ERRORS, OR THAT THE SERVICES AND/OR DELIVERABLES WILL MEET YOUR REQUIREMENTS OR EXPECTATIONS. WE ARE NOT RESPONSIBLE FOR ANY ISSUES RELATED TO THE PERFORMANCE, OPERATION OR SECURITY OF THE SERVICES AND/OR DELIVERABLES THAT ARISE FROM YOUR CONTENT OR THIRD PARTY CONTENT OR SERVICES PROVIDED BY THIRD PARTIES.**

- 3.4. **TO THE EXTENT NOT PROHIBITED BY LAW, THE WARRANTIES IN THESE SUPPLIER LICENCE TERMS ARE EXCLUSIVE AND ALL OTHER WARRANTIES OR CONDITIONS, WHETHER EXPRESS OR IMPLIED, ARE EXPRESSLY EXCLUDED, INCLUDING, WITHOUT LIMITATION, FOR SOFTWARE, HARDWARE, SYSTEMS, NETWORKS OR ENVIRONMENTS OR FOR MERCHANTABILITY, SATISFACTORY QUALITY AND FITNESS FOR A PARTICULAR PURPOSE.**
- 3.5. Dates for delivery or performance specified in the Implementation Plan or otherwise contained in the Call-Off Contract are estimates only and time shall not be 'of the essence'. Failure on the part of Oracle to comply with such dates shall not automatically constitute a material Default. If Oracle becomes aware that there is, or there is reasonably likely to be, a Delay it shall notify the Buyer as soon as practically possible but the two (2) Working Days limit references in paragraph 5.1 of Call-Off Schedule 13 (Implementation Plan and Testing) (if incorporated) shall not apply.
- 4. Limitation of Liability**
- 4.1. **IN NO EVENT WILL EITHER PARTY OR ITS AFFILIATES BE LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, SPECIAL, PUNITIVE, OR EXEMPLARY DAMAGES, OR ANY LOSS OF REVENUE, SALES, DATA OR DATA USE. ORACLE'S LIABILITY FOR RESTORING DATA WHERE BUYER CONTENT ITSELF IS UNAVAILABLE, CORRUPTED OR UNUSABLE FOR ANY REASON (INCLUDING AS A RESULT OF MALICIOUS SOFTWARE) SHALL BE LIMITED TO MAKING AVAILABLE THE LATEST AVAILABLE BACK UP COPY OF BUYER CONTENT (WHERE THE BUYER HAS CONTRACTED FOR DATA BACK UP SERVICES FROM ORACLE) AS SOON AS REASONABLY POSSIBLE AFTER BEING NOTIFIED OR BECOMING AWARE OF THE ISSUE IN QUESTION. ORACLE SHALL HAVE NO LIABILITY TO THE BUYER IN DAMAGES AND SHALL BE ENTITLED TO RENDER ADDITIONAL CHARGES IN RESPECT OF TIME SPENT ASSISTING THE BUYER TO RESTORE BUYER DATA WHICH HAS BEEN DAMAGED BY MALICIOUS SOFTWARE IN CIRCUMSTANCES WHERE DAMAGE WAS CAUSED NOTWITHSTANDING ORACLE'S COMPLIANCE WITH ITS OBLIGATIONS TO USE UP TO DATE VIRUS CHECKING SOFTWARE IN ACCORDANCE WITH THE APPLICABLE SERVICE SPECIFICATIONS.**

- 5.3. The rights and remedies in Clauses 10.5 and 10.6 of the General Terms (as amended by the provisions of this section 5) provides the parties' exclusive remedy for any IPR Claims or related damages.

6. Termination and Suspension

- 6.1. Before exercising any right to terminate the Call-Off Contract in respect of any Default which is capable of remedy or before exercising any other right, You agree to permit Oracle a reasonable opportunity to remedy the breach in question.
- 6.2. Rights to terminate any Call-Off Contract for misrepresentation, for breach or Default of the Call-Off Contract only apply where the misrepresentation, breach or Default in question is material in the context of the Call-Off Contract for the Services provided under the Order Form. In respect of Services or any other matter that are unrelated or unconnected to the misrepresentation, breach or Default in question the rights of termination do not apply.
- 6.3. Rights to terminate any Call-Off Contract in part rather than in its entirety can only apply where the component of the Call-Off Contract which has not been terminated represents a viable standalone service.
- 6.4. We may suspend Your or Your Users' access to, or use of, the Services if we believe that: (i) there is a significant threat to the functionality, security, integrity, or availability of the Services or any content, data, or applications in the Services (or similar services provided to other Oracle customers); (ii) You or Your Users are accessing or using the Services to commit an illegal act; or (iii) there is a violation of the Acceptable Use Policy. When reasonably practicable and lawfully permitted, we will provide You with advance notice of any such suspension. We will use reasonable efforts to re-establish the Services promptly after we determine that the issue causing the suspension has been resolved. During any suspension period, we will make Your Content (as it existed on the suspension date) available to You. Any suspension under this section shall not excuse You from Your obligation to make payments under this Call-Off Contract. Clauses 5.4. to 5.6 (inclusive) of the General Terms shall not apply to the Call-Off Contract.
- 6.5. At the end of the Call-Off Contract Period, we will make Your Content (as it existed at the end of the Call-Off Contract Period) available for retrieval by You during a retrieval period set out in the Service Specifications. At the end of such retrieval period, and except as may be required by law, we will delete or otherwise render unrecoverable any of Your Content that remains in the Services. Our data deletion practices are described in more detail in the Service Specifications.

7. Third Party Content

- 7.1. The Services may enable You to link to, transfer Your Content or Third Party Content to, or otherwise access, third parties' websites, platforms, content, products, services, and information ("**Third Party Services**"). Oracle does not control and is not responsible for Third Party Services. You are solely responsible for complying with the terms of access and use of Third Party Services, and if Oracle accesses or uses any Third Party Services on Your behalf to facilitate performance of the Services, You are solely responsible for ensuring that such access and use, including through passwords, credentials or tokens issued or otherwise made available to You, is authorized by the terms of access and use for such services. If You transfer

Framework Schedule 6 (Order Form Template and Call-Off Schedules)

or cause the transfer of Your Content or Third Party Content from the Services to a Third Party Service or other location, that transfer constitutes a distribution by You and not by Oracle.

- 7.2. Any Third Party Content we make accessible is provided on an “as-is” and “as available” basis without any warranty of any kind. You acknowledge and agree that we are not responsible for, and have no obligation to control, monitor, or correct, Third Party Content. To the extent not prohibited by law, we disclaim all liabilities arising from or related to Third Party Content.
- 7.3. You acknowledge that: (i) the nature, type, quality and availability of Third Party Content may change at any time during the Call-Off Contract Period; and (ii) features of the Services that interoperate with Third Party Services such as Facebook™, YouTube™ and Twitter™, etc., depend on the continuing availability of such third parties’ respective application programming interfaces (APIs). We may need to update, change or modify the Services under this Call-Off Contract as a result of a change in, or unavailability of, such Third Party Content, Third Party Services or APIs. If any third party ceases to make its Third Party Content or APIs available on reasonable terms for the Services, as determined by us in our sole discretion, we may cease providing access to the affected Third Party Content or Third Party Services without any liability to You. Any changes to Third Party Content, Third Party Services or APIs, including their unavailability, during the Call-Off Contract Period does not affect Your obligations under the Call-Off Contract, and You will not be entitled to any refund, credit or other compensation due to any such changes.
- 7.4. Clause 9.7 of the General Terms does not apply should any third party technology be included within or used to provide the Deliverables or any part thereof.

8. Service Monitoring, Analysis and Oracle Software

- 8.1. We continuously monitor the Services to facilitate Oracle’s operation of the Services; to help resolve Your service requests; to detect and address threats to the functionality, security, integrity, and availability of the Services as well as any content, data, or applications in the Services; and to detect and address illegal acts or violations of the Acceptable Use Policy. Oracle monitoring tools do not collect or store any of Your Content residing in the Services, except as needed for such purposes. Oracle does not monitor, and does not address issues with, non-Oracle software provided by You or any of Your Users that is stored in, or run on or through, the Services. Information collected by Oracle monitoring tools (excluding Your Content) may also be used to assist in managing Oracle’s product and service portfolio, to help Oracle address deficiencies in its product and service offerings, and for license management purposes.
- 8.2. We may: (i) compile statistical and other information related to the performance, operation and use of the Services; and (ii) use data from the Services in aggregated form for security and operations management, to create statistical analyses, and for research and development purposes (sections (i) and (ii) are collectively referred to as “**Service Analyses**”). We may make Service Analyses publicly available; however, Service Analyses will not incorporate Your Content, Personal Data or Confidential Information in a form that could serve to identify You or any individual. We retain all intellectual property rights in Service Analyses.
- 8.3. We may provide You with the ability to obtain certain Oracle Software (as defined below) for use with the Services. If we provide Oracle Software to You and do not specify separate terms for such software, then such Oracle Software is provided as part of the Services and You have the non-exclusive, worldwide, limited right to use such Oracle Software, subject to the terms of the Call-Off Contract (except for separately licensed elements of the Oracle Software, which separately licensed elements are governed by the applicable separate terms), solely to facilitate Your use of the Services. You may allow Your Users to use the Oracle Software for this purpose, and You are responsible for their compliance with the license terms. Your right to use any Oracle Software will terminate upon the earlier of our notice (by web posting or otherwise) or the end of the Services associated with the Oracle Software. Notwithstanding the foregoing, if Oracle Software is licensed to You under separate terms, then Your use of such software is governed by the separate terms. Your right to use any part of the Oracle Software that is licensed under the separate terms is not restricted in any way by the Call-Off Contract.

9. Export

- 9.1. Export laws and regulations of the United States and any other relevant local export laws and regulations apply to the Services and/or Deliverables. Such export laws govern use of the Services (including technical data) and any Deliverables provided under the Call-Off Contract, and You and Oracle each agree to comply with all such export laws and regulations (including “deemed export” and “deemed re-export” regulations). You agree that no data, information, software programs and/or materials resulting from the Services and/or Deliverables (or direct product thereof) will be exported, directly or indirectly, in violation of these laws, or will be used for any purpose prohibited by these laws including, without limitation, nuclear, chemical, or biological weapons proliferation, or development of missile technology.
- 9.2. You acknowledge that the Services are designed with capabilities for You and Your Users to access the Services without regard to geographic location and to transfer or otherwise move Your Content between the Services and other locations such as User workstations. You are solely responsible for the authorization and management of User accounts across geographic locations, as well as export control and geographic transfer of Your Content.

10. Payment

- 10.1. The Buyer may only retain or set-off any amount owed to it by Oracle against any amount due to Oracle under this Call-Off Contract. The Buyer’s rights to retain or set-off amounts owed to it shall only apply where Oracle has agreed that the amount is owed or the Buyer has a binding court judgment to that effect. Otherwise, fees payable shall be paid in full and all other rights of set-off whether at common law or otherwise in favour of the Buyer are excluded.
- 10.2. The Buyer shall not deduct or withhold from the monthly Charges any Service Credit or other sums in respect of any breach of the Key Performance Indicators (unless otherwise stated in the Service Specifications).
- 10.3. If the Buyer wishes to exercise its right pursuant to section 10.1, it shall give notice to Oracle within thirty (30) days of receipt of the relevant invoice, setting out the Buyer’s reasons for the retention and the size of the retention against the relevant Charges.
- 10.4. If the Buyer wishes to exercise its right pursuant to section 10.1, the Buyer must pay any undisputed amount in accordance with the terms of the Call-Off Contract.
- 10.5. For the purposes of Call-Off Schedule 14 (Performance Levels) (if incorporated) the Key Performance Indicators and applicable Service Credits shall be those applicable to the relevant Services as set out in the applicable Service Specifications available via <https://www.oracle.com/corporate/contracts/cloud-services/>.
- 10.6. Oracle reserves the right to render a reasonable additional charge should it need to utilise additional resources in order to comply with an instruction issued by the Buyer pursuant to Clause 3.3.2 of the General Terms.
- 10.7. The Charges specified in the Order Form are exclusive of expenses. An estimate of expenses will be set out in the Order Form. Expenses will be invoiced monthly as they are incurred.

11. Other

- 11.1. It is agreed that elements of the Services may be subcontracted to Oracle Affiliates from time to time. Without getting prior approval from the Buyer, Oracle also reserves the right to: (i) subcontract elements of the Services to non-Affiliate third parties; and (ii) appoint Sub-Processors subject to and in accordance with the following provisions. Oracle maintains lists of so called ‘Strategic Subcontractors’ (being companies that are considered by Oracle to be strategic taking a number of factors into account including whether a failure in a subcontractor’s performance would materially impact Oracle’s obligations under the relevant Call-Off Contract) and Sub-Processors. These lists are available via My Oracle Support, in the case of Strategic

Framework Schedule 6 (Order Form Template and Call-Off Schedules)

Subcontractors via Document ID 2667492.1 and in the case of Sub-Processors via Document ID 2121811.1 (or other applicable primary support tool, user interface or contact provided for the cloud services, such as the NetSuite Support Portal). If You would like to receive notice of any intended changes to these lists of Strategic Subcontractors or Sub-processors, You can sign up per the instructions on My Oracle Support, Document ID 2667492.1 or 2288528.1 (as applicable). Where a sign-up mechanism is not available, Oracle will provide You notice of intended changes.

- 11.2. Within thirty (30) calendar days of Oracle providing notice to You under the preceding section, You may object to the intended involvement of the relevant Strategic Subcontractor in the provision of the cloud services, by submitting a “service request” via My Oracle Support (or other applicable primary support tool) providing objective justifiable grounds that use of such Strategic Subcontractor would have a material adverse effect on the provision of a critical or important function to which the cloud services pertain or would lead to a material increase of risk for You. You and Oracle will work together in good faith to find a mutually acceptable resolution to address any such objection. If You and Oracle do not reach a mutually acceptable resolution within a reasonable timeframe, You shall have the right to terminate the relevant cloud services: (i) upon serving thirty (30) days prior written notice; (ii) without liability to You or Oracle; and (iii) without relieving You from Your payment obligations under the relevant Call-Off Contract up to the date of termination. Oracle will not be obliged to terminate Subcontracts at Your request or direction.
- 11.3. Our business partners and other third parties, including any third parties with which the Services have integrations or that are retained by You to provide consulting services, implementation services or applications that interact with the Services, are independent of Oracle and are not Oracle’s agents. We are not liable for, bound by, or responsible for any problems with the Services or Your Content arising due to any acts of any such business partner or third party, unless the business partner or third party is providing Services as our subcontractor on an engagement ordered under the Call-Off Contract and, if so, then only to the same extent as we would be responsible for our resources under the Call-Off Contract.
- 11.4. Neither party has been given, nor entered into this Call-Off Contract in reliance on, any warranty, statement, promise or representation other than those expressly set out in this Supplier Licence Terms.
- 11.5. Prior to entering into an Order Form, You are solely responsible for determining whether the Services meet Your technical, business, regulatory or legal requirements. Oracle will cooperate with Your efforts to determine whether use of the standard Services are consistent with those requirements. Additional fees may apply to any additional work performed by Oracle or changes to the Services. You remain solely responsible for Your regulatory and legal compliance in connection with Your use of the Services.
- 11.6. The provision of Clause 34.3 of the General Terms are agreed by the parties to only apply where the Buyer specifies the information that Oracle can provide, allows a reasonable timeframe for Oracle to supply the requested information, and sets a reasonable deadline for responding.
- 11.7. **Financial Difficulties** – Joint Schedule 7 (Financial Difficulties) and Joint Schedule 8 (Guarantee) do not apply to any Call-Off Contract. It is acknowledged by You that Joint Schedule 7 (Financial Difficulties) details Oracle’s obligations only to CCS under the Framework Contract and not to You under any Call-Off Contract. Call-Off Schedule 24 (Corporate Resolution Planning) shall not apply to this Call-Off Contract.
- 11.8. **Change Control Impact Assessments** – Oracle will provide reasonable evidence to support any proposed changes to the Call-Off Charges but it is not obliged to disclose details of its own costs.
- 11.9. **Implementation and Testing** – The provisions of Call-Off Schedule 13 (Implementation Plan and Testing) are agreed by the parties to be not applicable to any Call-Off Contract unless explicitly agreed to the contrary. Where testing is applicable, “**Test Issues**” shall be defined as

Framework Schedule 6 (Order Form Template and Call-Off Schedules)

any material variance or non-conformity of the Services and/or Deliverables from their Service Specifications as set out in the Call-Off Contract.

- 11.10. **Business Continuity** – The provisions of Call-Off Schedule 8 (Business Continuity and Disaster Recovery) are agreed by the parties to be not applicable to any Call-Off Contract. It is acknowledged by the Buyer that Oracle has in place its own 'Business Continuity / Disaster Recovery Plan' ("**BC/DR Plan**") as may be updated from time to time and which has been prepared with Good Industry Practice and that this is sufficient to meet the Buyer's requirements and the requirements of the Call-Off Contract in this respect. Compliance with the specific requirements of the Buyer's own BC/DR Plan or policies is not therefore required and would be impractical for a standard service offering.
- 11.11. **Records and Audit Rights** – Clauses 6.13 and 6.14 of the General Terms (introduced by Framework Special Term 17) shall not apply. Oracle will keep such records as are reasonably required to demonstrate its compliance with the terms of any Call-Off Contract. The Buyer's rights of audit set out in the Call-Off Contract do not extend to the right to audit Oracle's or its subcontractor's costs other than in circumstances where the Charges are expressly calculated on a '*cost plus*' basis. You may audit Oracle's compliance with its obligations under the Call-Off Contract up to once per year. In addition, to the extent required by Applicable Data Protection Legislation, You or Your regulator may perform more frequent audits.
- 11.11.1. If a third party is to conduct the audit, the third party must be mutually agreed to by You and Oracle (except if such third party is a regulator). Oracle will not unreasonably withhold its consent to a third party auditor requested by You. The third party must execute a written confidentiality agreement acceptable to Oracle or otherwise be bound by a statutory or legal confidentiality obligation.
- 11.11.2. To request an audit, You must submit a detailed proposed audit plan to Oracle at least two (2) weeks in advance of the proposed audit date. The proposed audit plan must describe the proposed scope, duration and start date of the audit. Clause 6.5 of the General Terms shall not apply. Oracle will review the proposed audit plan and provide You with any concerns or questions. Oracle will work cooperatively with You to agree on a final audit plan.
- 11.11.3. The audit must be conducted during regular business hours at the applicable facility, subject to the agreed final audit plan and Oracle's health and safety or other relevant policies, and may not unreasonably interfere with Oracle business activities.
- 11.11.4. Upon completion of the audit, You will provide Oracle with a copy of the audit report, which is subject to the confidentiality terms of the Call-Off Contract. You may use the audit reports only for the purposes of meeting Your regulatory audit requirements and/or confirming compliance with the requirements of the Call-Off Contract.
- 11.11.5. Each party will bear its own costs in relation to the audit, unless Oracle promptly informs You upon reviewing Your audit plan that it expects to incur additional charges or fees in the performance of the audit that are not covered by the fees payable under Your Call-Off Contract such as additional license or third party contractor fees. The parties will negotiate in good faith with respect to any such charges or fees. Clauses 6.6 and 6.7 of the General Terms shall not apply.
- 11.11.6. If the requested audit scope is addressed in a SOC, ISO, NIST, PCI DSS, HIPAA or similar audit report issued by a qualified third party auditor within the prior twelve (12) months and Oracle provides such report to You confirming there are no known material changes in the controls audited, You agree to accept the findings presented in the third party audit report in lieu of requesting an audit of the same controls covered by the report.
- 11.12. **Termination and Expiry** – For the avoidance of doubt, the provisions of Clause 13.4.1 (b) of the General Terms are subject to the provisions of Clause 13.4.1 (c) of the General Terms and the ongoing obligation of the Buyer to pay for Services which Oracle continues to provide

Framework Schedule 6 (Order Form Template and Call-Off Schedules)

following termination at the Buyer's request. Oracle's obligations upon termination or expiry are typically limited to making Buyer data available for retrieval or download by the Buyer. Any Termination Assistance in addition to this must be agreed between the parties whether pursuant to the Exit Plan or otherwise. The Buyer shall be obliged to pay for any Termination Assistance agreed pursuant to the provisions of Call-Off Schedule 10 (Exit Management) (if incorporated) notwithstanding the provisions of Clause 13.4.1 (g) of the General Terms. Termination by Oracle shall be without prejudice to Oracle's rights in respect of any unpaid Charges and the Charges that would have been payable by the Buyer in respect of the period following termination. Clause 13.4.4 of the General Terms (introduced by Framework Special Term 18) shall not apply. The Buyer agrees that Oracle's obligations in Clause 3.1.3 of the General Terms (introduced by Framework Special Term 3) shall be limited solely to its obligations in this section 11.12.

- 11.13. **Termination Payment** – Should the Buyer exercise the right to terminate without cause contained in Clause 13.2.2 of the General Terms or if Oracle validly terminates any Call-Off Contract in accordance with the terms of the Call-Off Contract, the Buyer shall nevertheless be obliged to forthwith pay an amount equal to the Charges that would otherwise have been payable throughout the remainder of the originally committed Call-Off Contract Period whether designated as a Minimum Commitment in the Order Form or otherwise (including any extension to such period that is in force or has been committed to in accordance with the terms of this Call-Off Contract as at the effective date of termination).
- 11.14. **Buyer Responsibilities** – The Buyer will cooperate generally with Oracle to facilitate the provision of the Services and/or Deliverables on a timely basis including taking decisions promptly and making relevant subject matter experts available on a timely basis. Details of any specific Buyer's responsibilities may be set out or referenced in the Order Form or the Service Specifications. Failure by the Buyer to comply with the Buyer responsibilities referred to in this section shall constitute an Authority (Buyer) Cause and may entitle Oracle to render additional Charges provided that it notifies the Buyer promptly given the circumstances. The Buyer shall comply with the Service Request Process set out under the section titled 'Service Request Process' on the Order Form and Clause 3.6 of the General Terms (introduced by Framework Special Term 5) shall not apply to this Call-Off Contract. Notwithstanding Clause 4.12 of the General Terms (introduced by Framework Special Term 6), the Buyer acknowledges that it is solely responsible for its use and spend via the Service Request Process and the Buyer shall remain fully liable for any and all Charges incurred under this Call-Off Contract including the Minimum Commitment set out in this Order Form above.
- 11.15. **Replacement of Oracle Staff** – Clause 7.2 of the General Terms shall not apply. The Buyer may notify Oracle if it considers that any member of staff is unsuitable to work on any contract. The ultimate decision as to members of staff used to provide the Services remains with Oracle.
- 11.16. **Staff Vetting** – Details of staff vetting undertaken by Oracle are attached to these Supplier Licence Terms at Appendix 1.
- 11.17. **Force Majeure** – Notwithstanding Clause 23 of the General Terms, in relation to a Force Majeure Event:
- 11.17.1. Neither You or Oracle shall be responsible for failure or delay of performance if caused by Force Majeure Event.
- 11.17.2. A party cannot claim relief under this section 11.17 if the Force Majeure Event is attributable to its wilful act, neglect or failure to take reasonable precautions against the relevant Force Majeure Event.
- 11.17.3. A party cannot claim relief under this section 11.17 as a result of a failure or delay by another person in the performance of that other person's obligations under a contract with that party, unless that other person is itself prevented from or delayed in complying with its obligations as a result of a Force Majeure Event affecting that person.

Framework Schedule 6 (Order Form Template and Call-Off Schedules)

- 11.17.4. A party claiming relief under this section 11.17 shall give written notice to the other party of the Force Majeure Event and how it affects its ability to perform its obligations under the agreement and also when the Force Majeure Event ceases or no longer prevents the party from fulfilling its obligations.
- 11.17.5. Each party will use reasonable efforts to mitigate the effect of a Force Majeure Event. If such Force Majeure Event continues for more than ninety (90) days, either party may cancel unperformed Services and the affected Call-Off Contract upon written notice.
- 11.17.6. This section 11.17 does not excuse either party's obligation to take reasonable steps to follow its own normal disaster recovery procedures or Your obligation to pay for Deliverables ordered or delivered.
- 11.18. **Subcontracting** – The provisions of paragraphs 2.5 and 2.6 of Joint Schedule 6 (Key Subcontractors) shall not apply to: (i) arrangements between Oracle and providers of services and facilities for the benefit of Oracle customers generally but only to those Key Subcontractor arrangements which are specific to the Buyer; or (ii) subcontracting to Oracle Affiliates. The Buyer shall not have the ability at any time to designate any of the Supplier's supply chain partners as Key Subcontractors under any Call-Off Contract. The Buyer acknowledges that paragraph 2.5 of Call-Off Schedule 27 (Cyber Essentials Scheme) shall not apply. Clause 8 of the General Terms is replaced by sections 11.1, 11.2 and 11.18 of these Supplier Licence Terms.
- 11.19. **Assignment** – The prohibition upon assignment without consent in Clause 26.1 of the General Terms shall not apply to an assignment between Oracle Affiliates where this is part of a solvent amalgamation or re-organisation.
- 11.20. **Termination by Oracle** – Oracle may, in addition to the right to terminate pursuant to Clauses 13.5.1 and 13.5.2 of the General Terms, terminate any Call-Off Contract if the Buyer commits a material breach of contract which consists of any of the following, where the breach is not remedied within thirty (30) days of notice in writing of the breach and requiring its remedy:
- 11.20.1. any infringement of the intellectual property rights belonging to Oracle or an Oracle Affiliate including failing to abide by the scope of any licence or breaching the prohibitions set out in section 2.4;
- 11.20.2. any breach of export control laws as referred to in sections 9.1 and 9.2.
- 11.21. **Benchmarking** – Any changes to the Services or the Charges as a result of any Benchmarking exercise can only take effect by agreement between the parties and then only in respect of any Call-Off Optional Extension Period. If the parties fail to reach agreement on the changes required as a result of any Benchmarking exercise, the Buyer's only right is to decide not to extend the Call-Off Contract. You acknowledge that there is no directly comparable supply of Services, and therefore the Buyer's entitlement to more favourable commercial terms set out in Clause 8.5 of the General Terms shall not apply. The Buyer acknowledges that paragraph 9 (*Complaints*) of Framework Schedule 4 (Framework Management) shall not apply.
- 11.22. **Standards and Accreditations** – It is acknowledged by the Buyer that Oracle has in place its own security plan, which has been prepared with Good Industry Practice and the Buyer agrees that this is sufficient to meet the Buyer's requirements and the requirements of the Call-Off Contract in this respect. Compliance with the specific requirements of Your own Security Policy is not therefore required and would be impractical for a standard service offering. Call-Off Schedule 28 (Special Call-Off Schedule for Lot 1a and Lot 1b) shall not apply. As at the date of the Framework Contract award, Oracle has Cyber Essentials Plus, ISO 27001, ISO9001, ISO2000-1, ISO27017 and ISO27018 certifications for certain parts of its business, as required under Framework Schedule 1 (Specification) for Lot 1a. For all services ordered under a Call-Off Contract that are not within the scope of such certifications, it is the Buyer's responsibility to ensure that the measures described in Oracle's Corporate Security Practices available at <https://www.oracle.com/assets/corporate-security-practices-4490843.pdf> and the applicable

Framework Schedule 6 (Order Form Template and Call-Off Schedules)

Service Specifications address its requirements. If any additional Standards and Accreditations (including any of those mentioned in Framework Schedules 1 (Specification) and Joint Schedule 5 (Sustainability)) are to apply to the provision of the Services under a Call-Off Contract, these must be explicitly set out in the applicable Order Form signed on behalf of the parties. Clause 3.4 (introduced by Framework Special Term 5) shall not apply.

11.23. **Continuous Improvement and Change in Law** – Subject to section 1.2, if a Buyer requires Call-Off Schedule 3 (Continuous Improvement) to be included in this Call-Off Contract and the Supplier agrees to explicitly include it in the Order Form, Oracle satisfies its obligations under Call-Off Schedule 3 (Continuous Improvement) by providing to the Buyer at no increase in the Charges updates and enhancements to the Services and/or Deliverables that are made generally available by us to our customers at no additional charge to their ongoing recurring charges. Where: (i) either party proposes a Variation in the Services which is not within the scope of the preceding sentence; or (ii) where there is a change in Law which is not within the scope of the preceding sentence, additional Charges may apply, such Variation and associated additional Charges to be agreed between the parties as part of the Variation Procedure. Clause 2.14 of the General Terms (introduced by Framework Special Term 2) shall not apply to this Call-Off Contract.

11.24. Protection of Your Content

11.24.1. Notwithstanding any provision of the General Terms (including any restriction on the Supplier's ability to access, store, copy, disclose or use Buyer Content), the Buyer expressly authorises Oracle to access, store, copy, disclose and use Buyer Content to the extent reasonably necessary for Oracle to provide the Services, or otherwise comply with, these Supplier Licence Terms. In order to protect Your Content (as defined in section 12) provided to Oracle as part of the provision of the Services, Oracle will comply with the applicable administrative, physical, technical and other safeguards, and other applicable aspects of system and content management, available at <https://www.oracle.com/contracts/cloud-services/>. These safeguards, and any security measures referenced in the relevant Oracle privacy policies and Data Processing Agreement together with Oracle's obligations in section 11.22 above constitute the "Security Requirements" for the purposes of this Call-Off Contract. No additional or supplementary security requirements apply. Clause 3.5 of the General Terms (introduced by Framework Special Term 5) shall not apply to this Call-Off Contract.

11.24.2. To the extent Your Content includes Personal Data, Oracle will furthermore comply with the following:

11.24.2.1. the relevant Oracle privacy policies applicable to the Services, available at <http://www.oracle.com/us/legal/privacy/overview/index.html>; and

11.24.2.2. the applicable version of the Data Processing Agreement for the Services (the "**Data Processing Agreement**"). The version of the Data Processing Agreement applicable to this Order Form: (i) is available at <https://www.oracle.com/corporate/contracts/cloud-services/contracts.html#data-processing> and is incorporated herein by reference; and (ii) will remain in force during the Call-Off Contract Period. In the event of any conflict between the terms of the Data Processing Agreement and the terms of the Service Specifications (including any applicable Oracle privacy policies), the terms of the Data Processing Agreement shall take precedence.

11.24.3. The Buyer is responsible for: (i) any required notices, consents and/or authorisations related to the Buyer's provision of, and our processing of, Your Content (including any Personal Data) as part of the Services; (ii) any security vulnerabilities, and the consequences of such vulnerabilities, arising from Your Content, including, without limitation, any viruses, Trojan horses, worms or other harmful programming routines contained in Your Content; and (iii) any use by the Buyer or the Buyer's Users of the

Framework Schedule 6 (Order Form Template and Call-Off Schedules)

Services in a manner that is inconsistent with the terms of the Call-Off Contract. To the extent the Buyer discloses or transmits Your Content to a third party, Oracle is no longer responsible for the security, integrity or confidentiality of such content outside of Oracle's control. Clause 9.1.6 of the General Terms (introduced by Framework Special Term 9) shall not apply to this Call-Off Contract.

- 11.24.4. Your Content may not include any sensitive or special or protectively marked data that imposes specific data security or data protection obligations on Oracle in addition to or different from those specified in the Service Specifications. If available for the Services, the Buyer may purchase additional services from us (e.g., Oracle's Payment Card Industry Compliance Services) designed to address specific data security or data protection requirements applicable to such sensitive or special or protectively marked data the Buyer seeks to include in Your Content. Unless otherwise agreed in writing between the Supplier and Buyer, the obligations set out in Clause 17.6.3 and Clause 17.7.1 of the General Terms shall not apply.
 - 11.24.5. In the event the US Data Privacy Framework is found to be unlawful, under Joint Schedule 10 (Processing Data), You agree to permit Oracle to put in place Standard Contractual Clauses, which includes both the EU SCCs and the Addendum, within a reasonable timeframe.
 - 11.24.6. The notice period in paragraph 3.21 of Joint Schedule 10 (Processing Data) whereby the Buyer may, acting reasonably, object to a proposed appointment of a Subprocessor by the Supplier under a Call-Off Contract shall be amended from 30 (thirty) days to 14 (fourteen) days.
- 11.25. **TUPE** – Call-Off Schedule 2 (Staff Transfer) (if incorporated) shall be modified in accordance with this section 11.25. The parties do not intend that any of the Buyer's employees and any other person who prior to the commencement of any Services provided the Services or services similar to the Services for or on behalf of the Buyer will become employees of Oracle or any subcontractor of Oracle upon the commencement of any Services pursuant to the Employment Regulations.
